**Staff Report**

John reported a structural engineer has been hired to inspect the bridge that is currently closed to ensure it is safe. It will likely be three weeks or more before they are able to perform the inspection.

**Events**

August 20 Concert – Vince Martin has been hired to perform from 7:00-9:00 p.m.

Family Fun Day, October 1 – The committee discussed possible activities. Connie is going to check with Game World regarding a bungee trampoline and inflatables. She is also going to contact Circus Kaput about face painters, a balloon artist and possibly a stilt walker/juggler. Cindy is going to check with a balloon artist she knows and some face painters.

Winter Event, December 4

Natalie Mayor who represents the Victorian carolers we have used previously contacted Connie to determine if Twin Oaks would like them to perform this year. The committee members decided to hire them for the event.

### **Story Boards**

Doug is still trying to determine if receiving a grant from the local library is feasible. There was also a discussion as to where the boards would be located if we have them. It was generally felt that we would not want them around the lakes. Members also felt the wooded trail in the park was too small to accommodate the story boards. Another concern with having them is the amount of maintenance required.

It was suggested that perhaps an Eagle Scout group might consider building them with the City supplying the materials. No decision was made.

### **Other Business**

The dates for the 2023 concerts in the park were selected. They are June 10, July 3 and August 12. Janet is going to start checking on availability of bands.

At 7:20 p.m. Cindy moved to adjourn the meeting, seconded by Janet - Approved 6-0
