Events

Family Fun Day – We had another successful FFD. A couple of things that need to be considered next year is how to control parking on Herzog Lane. It was also noted that next year we need an additional face painter and an additional balloon artist if we have those two attractions.

Christmas Lighting – The Board approved the same lighting as last year. The carolers will perform from 6:30 – 7:30 p.m. Paula is going to determine if the contract has been received. Hot chocolate and cookies will be served.

Chili Cookoff/Bingo – January 27, 2023 was selected for the next chili cookoff/bingo night.

Joe asked the committee members how they felt about having a movie night in the park. All were in favor. It was decided to hold the movie night in conjunction with National Night Out to be held on October 10, 2023.

April Milne, Board Member, attended the meeting to provide information regarding a possible use of the cow pond area. April and Janet met with a representative from St. Louis Disc Golf Association to determine if this area would accommodate disc golf. They learned that it would work for a nine-hole beginners level disc golf course. The approximate cost would be \$4,000 - \$7,000. The Association said they would work with us on design and sourcing if we would like. The committee appreciated the information and will discuss this option at a later date.
