- G. *Changes in these Policies.* As circumstances arise in which the City may determine that changes to these policies are necessary, the City reserves the right to change these policies at any time and reserves the unilateral right to do so at any time without prior notice to its employees. Accordingly, no statement on these rules and policies is intended as a contractual commitment or obligation of the City to any employee.

It shall be the responsibility of the HR Director and the Mayor to administer, interpret and from time to time recommend to the Board of Aldermen appropriate amendments to the Policy.

Section 140.020. Organizational Philosophy.

- A. *Mission.* The City is committed to providing quality and effective services to its residents and to the public at large.
- B. *Values.* The strength and future growth of the City is directly related to the contributions made by each individual within the Organization. To create the proper climate for employees to achieve maximum contribution:
 - 1. Employees will be placed in positions which best utilize their aptitudes and skills without regard to age, race, color, creed, sex, sexual orientation, political and religious affiliation, national origin, disability or handicap, or marital status. Employees will be offered the opportunity for self-development and advancement through training and education as it benefits the City; and
 - 2. Employees will be respected for their personal worth and dignity. They will be accorded fair and equitable treatment at all times through a program of compensation and general working conditions that reflect a spirit of social justice and social cooperation.
- C. *Strategy.* Commitment to the City's mission and values will result in a desire on the part of each individual to excel in their work. This can be measured by innovation and teamwork resulting in the implementation of new and creative ideas.
 - 1. The success of this strategy will manifest itself in growth in ability to serve, increased efficiency, greater productivity, positive community relations and image projection, and access to resources of all kinds.

Section. 140.030. Personnel Policy Objectives.

For the City to fulfill its mission in the community, productive and competent employees at all levels in the Organization must staff the City. Accordingly, the City seeks to provide employment conditions and policies which will attract, motivate, and retain highly qualified employees.

Section 140.040. Employment Policy.

A. Affirmative Action and Equal Opportunity Employer Policy.

- 1. It is the policy of the City, as set forth by the Board of Aldermen, to provide employment, training, compensation, promotion, and other conditions of employment without regard to

age, race, color, creed, sex, sexual orientation, political and religious affiliation, national origin, or marital status, and in full compliance with the Americans with Disabilities Act.

2. Appropriate job-related standards will be applied to the condition of employment and will be maintained at a level consistent with the growth of the City.
 3. To the extent possible, the City will seek out individuals with the best qualifications and the most promising potential to meet its employment requirements. Within its capacity, the City will provide appropriate training and development to enable individuals to successfully complete their probationary period and qualify for continued employment.
- B. *Employment Policy.* All employment will begin with a probationary period to allow the employee the opportunity to demonstrate an ability to perform the job and the City to assess performance. Unless otherwise stated in the written job offer, the probationary period will cover the first six (6) months of employment. The probationary period shall be regarded as an integral part of the evaluation process and shall be utilized for closely observing the employee's work and for securing the most effective adjustment of a new, transferred or promoted employee to the position, and for replacing any employee whose performance does not meet the required work standards.

1. *Procedure.*

- a. All applicants for employment must complete the City's official job application form. An authorized representative of the City will review all applications, check prior employment and personal references, and verify appropriate application information.
- b. Applicants selected for employment will be issued a letter confirming the offer of employment and stating pertinent details such as position title, salary, nature of duties, date acceptance or rejection of the offer is expected and any other special conditions of employment. The letter will be signed by the Mayor or HR Director, as appropriate. The letter is not a contract for employment.
- c. Selection of the City Clerk will be made by the Board of Aldermen pursuant to section 115.090 of the Twin Oaks Municipal Code. Employment of all other employees will be made by the Board upon recommendation by the Mayor and the HR Director.
- d. Basic personnel policies will be discussed with a prospective employee, by the appropriate person, during the interview process. After employment is confirmed, the new employee will be given a copy of the Personnel Policies and Procedures Manual.
- e. During the probationary period, the Mayor and the HR Director will evaluate and discuss job progress with the new employee. At the end of the probationary period, the Mayor and the HR Director will render a written evaluation, and a decision will be made by the Board of Aldermen regarding the employee's retention. New employees will be subject to the same personnel practices as those in effect for all employees.

- f. During this probationary period, an employee may be dismissed; and there shall be no right of appeal or grievance upon such dismissal.
- g. The HR Director will be responsible for the administration of personnel issues in accordance with the City's policy of Equal Employment Opportunity and Affirmative Action, and in accordance with State and Federal laws. The Board of Aldermen will be consulted on such matters as appropriate.

C. *Anti-Discrimination Policy.* It is the firm commitment of the Board of Aldermen to prohibit any type of employee discrimination or harassment. The City will not tolerate the discriminatory actions or harassing behavior by an employee aimed at another employee, elected official, vendor, or resident of the City.

1. *Policy.* It is the policy of the City that all employees should be able to enjoy a working atmosphere that is free from all forms of discrimination. Discrimination infringes on every employee's right to a comfortable and productive work environment and undermines the integrity of the employment relationship. No employee, male or female, should be subjected to repeated, unsolicited, or objectively unwelcome conduct, either verbal or physical. The City is committed to provide a positive working environment in which each employee is respected as an individual and can realize his or her full potential, with equal opportunity for advancement and personal growth. Consistent with this commitment, the City strictly prohibits all forms of discrimination and any employee who is found to have engaged in discriminatory activity will be subject to immediate corrective action, up to and including termination of employment.

2. *Definitions.*

- a. Sexual harassment consists of unwelcome sexual advances, request for sexual favors, or other verbal or physical conduct of a sexual nature where:
 - (1) Submission to such conduct is made a term or a condition of employment; or
 - (2) An employment decision (such as promotion or job assignment) is based on acceptance or rejection of such conduct; or
 - (3) Such conduct interferes with an employee's work performance or creates an intimidating, hostile or offensive work environment.
- b. Sexual harassment takes a variety of forms and may involve employees in any job and at any level of responsibility. Although it would be impossible to list all forms of sexual harassment, the City has set out some examples of conduct which would violate the City's Harassment Policy:
 - (1) Intentional physical contact of a sexual nature, such as touching, fondling, pinching, patting, or grabbing another employee; or
 - (2) Making unwelcome or persistent sexual advances toward another employee; or

- (3) Making sexual comments, jokes, noises, or gestures to, or in the presence of, another employee; or
 - (4) Using explicit or derogatory sexual terms about, or in the presence of, another employee, displaying sexually explicit or sexually oriented materials in the workplace including, but not limited to, magazines, posters, calendars, photographs, sketches, or cartoons; or
 - (5) Granting or promising preferential treatment to an employee in exchange for submitting to or participating in sexual conduct; or
 - (6) Threatening an employee, with termination, demotion, poor evaluation or other detrimental or retaliatory conduct to obtain sexual favors; or
 - (7) Retaliating in any way against an employee who has complained of, or reported, sexual harassment, or who has participated in the investigation of such conduct.
- c. Other forms of harassment may include:
- (1) Threatening or causing physical harm to an employee or purposely placing an employee in apprehension of physical harm; or
 - (2) Verbal abuse of an employee based on physical appearance, national origin, sexual orientation, religion, race, age, gender, disability, or creed.
3. *Reporting.* Any employee who believes that he/she has been the victim of harassment as defined herein, or who has witnessed or has knowledge of such behavior, is required to report such conduct to the HR Director (or the Mayor, if it involves the HR Director) immediately.
4. *Employee Grievance Procedures.*
- a. It shall be the policy of the City to give individual employees an opportunity to discuss their complaints; to ensure employee concerns are reviewed in a timely manner, and to provide procedures to handle concerns expressed by the employee. Any employee who is aware of an employee or manager harassing or discriminating against someone shall notify the HR Director immediately. An employee who fails to report such actions may be subject to disciplinary action, up to and including termination. No employee will be subjected to any form of retaliation for making a good faith report or participating in a grievance investigation.
 - b. The HR Director shall attempt to resolve the matter promptly and fairly. Following the discussion between HR Director and employee the HR Director shall ask if the employee believes the grievance has been settled. If the employee informs the Supervisor the oral discussion failed to settle the issue, the HR Director shall promptly notify the Mayor of the matter.

c. If the employee and HR Director believe the grievance has not been settled following their initial oral discussion, the HR Director shall have the option to handle the grievance in the following ways:

(1) Have the employee submit a written report with supporting documents to the HR Director for the purpose of conducting an informal investigation. The informal investigation shall be conducted by the HR Director or his/her designee. To resolve the grievance, he/she will consider the facts, conduct the informal investigation as necessary and appropriate. The HR Director's decision shall be in writing and shall be delivered to the complaining employee within a reasonable amount of time following the date on which the HR Director received the employee's written report. If it is determined corrective action is needed, prompt remedial action will be taken; or

(2) Have the employee submit a written report with supporting documents to the HR Director for the purpose of conducting a formal investigation. The formal investigation shall be conducted by the HR Director or his/her designee with the assistance of the City Attorney or special legal counsel. The formal investigation shall involve a full examination of the facts, which may include review of the employee's written report and supporting documents, appropriate discussions with all individuals concerned and further investigation if necessary. Before any action is taken, the HR Director and the City Attorney will review the findings of the investigation, including the written reports and evidence accumulated and documented. A complete written report will then be provided to the Board of Aldermen who will, in Executive "Closed" Session, take such corrective action, which may involve any level of corrective action up to and including immediate termination of employment; or

(3) Have the employee submit a written report with supporting documents to the HR Director for the purpose of having an independent third-party investigator conduct a formal investigation. The Board of Aldermen, in Executive "Closed" Session, shall be advised of the matter and decide if a third-party investigator should be hired to conduct a formal investigation.

5. *Members of the public.* If an employee feels harassed by a member of the public, the employee should immediately notify his/her supervisor so the City can endeavor to take immediate and corrective action, if possible.

D. *Hours of Work and Overtime Policy.*

1. *Employees Exempt from Overtime.* All City employees in executive and administrative positions are "exempt" as defined by the Fair Labor Standards Act, as amended (the "Act") and are therefore, not paid overtime for hours worked in excess of forty hours (40) during the work week.

2. *Employees Not Exempt from Overtime.* All positions not specifically identified as Executive or Administrative are designated as “non-exempt”, and are paid at an hourly rate, and therefore eligible for overtime compensation or the minimum wage provisions by said Act.
- a. *Overtime.* Although every effort will be made to avoid it, overtime work may occasionally be required. The normal workweek for “non-exempt” personnel is forty (40) hours with meals excluded. Non-exempt employees are not permitted to work overtime without the prior approval of the HR Director. Overtime compensation shall be at a rate of one and one-half times the hourly rate.
 - b. *Compensatory Time.* It is the City’s policy to compensate employees entitled to overtime through compensatory time-off. Also known as “Comp Time,” compensatory time-off is defined as time-off in lieu of overtime pay at a rate of one and one-half hours for each overtime hour worked. An employee using compensatory time-off is paid at the regular rate of pay for the time-off. Only hours worked in excess of forty (40) during a workweek will be counted as accrued compensatory-time-off. Vacation time, sick leave time, holidays and other time off shall not be considered as hours of work for the purposes of computing overtime. The HR Director may reschedule daily hours or the workweek of any employee when necessary to successfully carry out the City's business.
 - (1) Compensatory time-off may be accrued to a maximum of eighty (80) hours (the “Hours Cap”) for all covered employees unless waived for special circumstances by the Board. However, even if the Board approves carry over of a covered employee’s accrued compensatory time in excess of the Hours Cap, on December 31 of the year following Board approval of such carry-over, all accrued hours over forty (40) shall be paid out as overtime compensation based upon the employee’s current hourly rate of pay.
 - (2) Compensatory time that has not been utilized at the time the employee severs employment with the City shall be paid out as overtime compensation based upon the employee’s current hourly rate of pay.
 - c. *Tracking Compensatory Time.* The HR Director or designee shall document accrued Comp Time by converting overtime hours to accrued Comp Time at the rate of 1 hour of overtime equals 1.5 hours of Comp Time. In the situation where it is necessary to pay an employee the cash equivalent of part or all accrued Comp Time, the HR Director shall simply multiply the accrued Comp Time total by the employee’s current hourly rate of pay. The HR Director shall regularly (at least quarterly) notify non-exempt employees of the amount of their accrued Comp Time.
3. *Workweek.* The standard work week (Sunday - Saturday) for staff members exempt from the provisions of the “Act” will generally be around forty (40) hours. However, due to the nature of their work, exempt employees will need to be available for duty beyond the normal work week such as night meetings and, on occasion, weekend City events. The

regular salary of these employees is considered full compensation for the standard work week plus unplanned, irregular, or extra work hours inherent in the performance of their assigned position functions.

4. *Call-back Time.* If a non-exempt employee is called to work outside of a normally scheduled workday or is called back to work after having completed a regularly scheduled workday, the minimum overtime for which compensation will be made will be two (2) hours.
5. *City Hours of Operation.* City offices will be open as scheduled throughout the year, unless closed due to bad weather or other reasons by the decision of the Board of Aldermen.

E. *Employment Benefits and Policies.* The City seeks to provide benefits to all full-time and permanent part-time employees that, when combined with salary, provide a reasonable foundation for economic security.

1. *General Benefits.* All full-time and part-time employees are covered by social security, worker's compensation, and unemployment insurance from the first day of employment, in accordance with applicable laws and regulations. Worker compensation and unemployment insurance costs are paid by the City; both employees and the City contribute to the Social Security Fund (FICA).
2. *Pension Fund.* The City offers a pension fund to all eligible permanent employees called LAGERS (Local Association of Government Employee Retirement System), using both employer and employee contributions. For purposes of LAGERS only, a "full-time employee" is one who is regularly scheduled to work more than twenty-five (25) hours per week throughout the year. Temporary employees are not eligible for this benefit.
3. *Personal Spending Stipend.* As part of an eligible employee's compensation, the City contributes an annual predetermined amount (based on available budgeted funds) to each eligible employee or class of employees that may go towards dependent childcare expenses, healthcare costs, college tuition, savings, or any other use the employee may desires. The Board may set the annual stipend by ordinance, resolution, motion, or by way of the approved budget. Nothing herein shall require the stipend to be uniform across all classes of employees and the Board may differentiate from class to class.
4. *Vacation Leave Policy.*
 - a. Only full-time and part-time employees shall be eligible for paid vacation. Part-time employees regularly scheduled for less than twenty (20) hours per week and temporary/seasonal employees are not eligible for vacation benefits.
 - b. Eligible employees will begin accruing vacation leave on their first day of employment but are not eligible to use the vacation time until six (6) continuous months of employment with the City are achieved, unless waived for special circumstances by the Board.

c. Vacation must be earned before it is taken and scheduled in advance with approval of the HR Director. Full-time employees will accrue vacation annually based on length of service according to the following schedule:

- (1) **120 hours** – Employees will accrue 4.62 hours per pay period for years of service through five (5).
- (2) **144 hours** – Employees will accrue 5.54 hours per pay period for years of service six (6) through fifteen (15).
- (3) **168 hours** – Employees will accrue 6.46 hours per pay period for years of service sixteen (16) plus.

d. Part-time employees will accrue vacation annually based on length of service according to the following schedule:

- (1) **80 hours** – Employees will accrue 3.08 hours per pay period for years of service through five (5).
- (2) **100 hours** – Employees will accrue 3.85 hours per pay period for years of service six (6) through fifteen (15).
- (3) **120 hours** – Employees will accrue 4.62 hours per pay period for years of service sixteen (16) plus.

e. City employees are encouraged to take their vacation time during the current year. However, employees may carry over any remaining unused vacation hours to a maximum of 240 hours of vacation.

f. Exempt employees' description of vacation time will be contained in their Memorandum of Agreement.

5. *Sick Leave Policy.*

a. Sick Leave is not an earned benefit. Absence from scheduled work, whether excused or unexcused, can lessen the City's efficiency. Sick leave is a privilege granted in recognition of faithful service when any permanent employees are ill and unable to work; thus, unused sick leave is not payable at the time of termination. Accrued sick leave may be used in the following situations:

- (1) The employee is incapacitated for the performance of assigned duties by sickness or injury; or periods of time required for medical, surgical, dental, or optical examinations or treatment.
- (2) Members of employee's household: the employee is absent due to an illness of the employee's spouse, children, other relatives, or unrelated members of the employee's household, who require the employee's personal care and attention.

(3) Unusual cases will be handled on an individual basis. The final decision concerning the usage of sick leave rests with the HR Director and is based upon

the degree to which the employee is responsible for providing personal care and attention for a family member, who may or may not reside in the household, or for another member of the household. Merely visiting a relative or household member who is ill or hospitalized would not justify usage of sick leave.

- b. Part-time employees regularly scheduled for less than twenty (20) hours per week, temporary/seasonal employees are not eligible for sick leave.
- c. Full-time employees accumulate sick leave at the rate of 4.616 hours per pay period with a maximum balance of two-hundred forty (240) hours. Sick leave can be taken in two-hour increments.
- d. Part-time employees accumulate sick leave at the rate 3.08 hours per pay period with a maximum balance of one-hundred eight (180) hours. Sick leave can be taken in two (2) hour increments.
- e. New employees accrue sick leave starting with their first day of employment but cannot use sick leave until after completing their six-month probationary period.
- f. Chronic and pattern absenteeism, and or tardiness, or other abuse of this policy will lead to disciplinary action up to and including termination of employment. Examples of pattern absenteeism include, but are not limited to, absences on any Mondays or Fridays and or adjacent to a holiday(s).

6. *Holiday Policy*

- a. The City recognizes the following holidays as paid time off for all permanent full-time and permanent part-time employees: New Year's Day, Martin Luther King Jr. Day, President's Day, Memorial Day, Independence Day, Labor Day, Veteran's Day, Thanksgiving Day, Day after Thanksgiving, Day before Christmas, and Christmas Day.
- b. If a holiday falls on a scheduled workday of a part-time employee, that employee will be paid for those regularly scheduled hours to work. If a holiday falls on a non-scheduled workday of a part-time employee, no pay will be recorded. Temporary/seasonal employees will not work on that day and will not be paid.
- c. If any of the recognized holidays fall on a Saturday, the previous Friday will be observed as the holiday. When any of the recognized holidays fall on a Sunday, the following Monday will be observed as the holiday. When any of the recognized holidays fall within the period of annual or sick leave, the holiday may be added to either. Exempt employees who are required to work on a recognized holiday will be given a substitute holiday to be taken within thirty (30) days thereafter.
- d. Non-exempt employees who are required to work on a recognized holiday will be paid at time and one half (1/2).

7. *Jury Duty Policy.* The City recognizes the civic duty of employees to serve on juries when called. Full-time and part-time employees performing jury duty will continue to receive their regular pay during the period of service and may retain the jury fee. A copy of the jury duty summons and jury duty service certification must be submitted for placement in the employee's file. However, temporary/seasonal employees will not be paid jury duty leave.
8. *Bereavement Leave Policy.* Full-time and part-time employees may be granted up to three (3) working days of leave without loss of regular pay in the event of a death in the immediate family. If the allowable number of days is not sufficient, additional days may be taken as vacation time or unpaid leave. For the purpose of this policy, "immediate" family is defined as follows: Spouse, Parents, Father-in-law, Mother-in-Law, Children, Son-in-Law, Daughter-in-Law, Siblings, Grandparents, Grandchildren, Guardian, and Significant Other.
9. *Unpaid Leave of Absence Policy.*
 - a. Due to the number of employees at the City being less than 50, employees are not eligible for leave under the Family Medical Leave Act (FMLA). However, the City recognizes the need for extended periods of leave due to a serious medical issue or the birth of a child and has adopted a policy for granting an unpaid leave of absence to eligible employees ("ULA").
 - b. *Eligibility.* To be eligible for ULA, full-time and part-time employees must have worked for the City for at least twelve (12) months and for at least 1,250 hours during the year preceding the requested leave. ULA may be granted for medical reasons; to care for a newly adopted, foster care, or newborn child; to care for the employee's spouse, son, daughter, or parent with a serious health condition; or because of an employee's own serious health condition that makes the employee unable to work at all or to perform the essential functions of the employee's job.
 - c. *Procedure.* A request for ULA must be made in writing to the HR Director and specify the purpose, length, and specific dates thereof. The HR Director, with the approval of the Mayor, will notify the employee, in writing, of the decision. The ULA shall be without pay, benefits, accrual of vacation or accrual of sick leave for a period not to exceed twelve (12) calendar weeks. ULA shall be granted only after all the employee's accrued sick leave and vacation leave have expired.
 - d. If ULA is granted hereunder because of a full-time and part-time employee's medical condition, the employee may be required to submit a statement from his/her attending physician which shall include the date the serious health condition began; the physician's judgment concerning the probable duration of the condition; the diagnosis of the serious health condition; a statement of the course of treatment; an indication of whether in-patient hospitalization is necessary; and a statement that the employee either cannot perform any kind of work or cannot perform the essential functions of his/her job. If the ULA is to care for a family member, the employee may be required

to provide a statement from the family member's physician indicating that it would be desirable or beneficial for the employee to provide care for the family member.

- e. Full-time and part-time employees seeking to use leave under this policy are required to provide thirty (30) days advanced notice of the need to take leave if the need for the leave is foreseeable based on an expected birth or placement of a child or planned medical treatment for the serious health condition of the employee or family member. If 30 days' notice is not practical under the circumstances, notice must be given as soon as practical. Notice should include the reason for the requested leave, the anticipated start of the leave, and the anticipated duration of the leave.

10. *Continuing Education Payment/Reimbursement Policy.* The City recognizes that attendance at selected outside seminars, conferences, and/or workshops are mutually beneficial to the employee and the City. Employees are encouraged to participate in continuing education activities in areas related to their work and will be reimbursed for the cost of pre-approved training, subject to the availability of funds and prior written approval by the Board of Aldermen. Books and other required class materials will not be reimbursable.

11. *Military Leave Policy*

- a. Any employee who is to perform active duty or training or inactive duty or training in the armed forces of the United States, including but not limited to active reserves, shall be granted a leave of absence, as permitted by law. Further, an employee who leaves the City for such military service may be paid accrued vacation for which the employee is eligible from the City at the time of the leave of absence.
- b. Any employee who leaves his/her job to serve in the armed forces is entitled to all rights provided for under state and federal law during the performance of military duty and, upon completion of the military duty, the employee is entitled to reinstatement to his former position or to a position equal in terms of seniority, pay, and status to the one (1) the employee left to go into the service unless the City's circumstances have changed so much that it would be impossible for this to be done. Those reinstatement rights are conditioned upon the employee fulfilling the basic requirements for reinstatement under federal and state law.
- c. An employee who is reinstated following completion of military service shall be eligible to take accrued vacation thirty (30) days after reinstatement.
- d. In addition to a leave of absence otherwise authorized in these rules, employees who are required to take annual periods of training as members in organized units of the Reserve Corps of the Army, Navy, Air Force, Marine Corps, Coast Guard, or the National Guard and who are ordered to active duty, will be granted a leave of absence without loss of time, pay, regular leave, impairment of job evaluation, or any other benefits to which they may otherwise be entitled, upon proper application through the HR Director and written approval by the Board of Aldermen for the duration of said

period of annual training not to exceed fifteen (15) working days in any federal fiscal year.

12. *Voting Time Policy.* Any employee eligible and registered to vote in any election held within this state, or any primary election held in preparation for such election shall, on the day of such election, be entitled to leave from duty (if on duty) which would allow three (3) hours of voting time between the time of opening and the time of closing the polls. This section shall not apply to a voter on the day of the election if there are three (3) successive hours while the polls are open in which the employee is not on duty. The HR Director may specify any three hours between the time of opening and closing of the polls during which an employee may be granted voting leave. Generally, said leave shall not exceed one hour of paid on-duty time for each Election Day. Exceptions may be arranged with the approval of the HR Director. Employees may be required to show current eligible voter registration cards to the HR Director prior to release for voting purposes and no employee shall be granted time off with pay for voting who is not eligible to participate in a given election.

13. *Employment Restrictions Policy.*

- a. No City employee shall solicit any contribution for the campaign fund of any candidate for City Office or take part in the political campaign of any candidate for City Office. All employees may exercise their rights as a private citizen to express opinions and, if a registered voter in the City, sign a nominating petition for any City candidate and vote in any City election. Political affiliation, participation, or contribution shall not be considered in making any City employment decision. No City officer, employee, or member of a Board, or Commission shall use official authority or official influence for the purpose of interfering with or affecting the result of any election to or nomination for a City office. No City officer, employee, or member of a Board or Commission shall directly or indirectly coerce, attempt to coerce, command, advise or solicit a City employee to pay, lend, or contribute anything of value to a party, committee, organization, agency, or person for political or electoral purposes.
- b. No employee, either full or part-time of the City, while on duty or while in uniform that identifies the individual as an employee of the City shall canvass on behalf of any candidate, political party, or political issue; display a political picture, sticker, badge, or button; attend a political rally, fund raising function, or other political gathering; circulate or sign a political petition; or serve as an election judge or clerk.
- c. No employee shall place, or allow to remain, upon a City vehicle used by the employee in the course of employment any political picture, sticker, badge, or button.
- d. Nothing in these regulations shall be construed to restrict an employee's freedom to express an opinion or exercise the right to vote.

- e. No City employee shall use City equipment, personnel, facilities, or resources to promote or help promote any civic, social, business, or political candidate, or any other non-City purpose without the express written consent of the HR Director or the Board of Aldermen.

Section 140.050. Compensation.

Section 140.060. Compensation for Job Related Expense.

A. *General Policy.* Employees required to travel on City business, and/or who incur other authorized expenses on behalf of the City, will be reimbursed under the travel reimbursement procedure.

1. *Out of Town Travel.* When out-of-town travel is required, air, bus, personal vehicle, or train transportation may be used; however, reimbursement will be made at the lowest rate of air coach fare, or mileage, whichever is less. Reimbursement for hotel/motel accommodations will be made for the actual costs incurred for a single room with bath, unless otherwise authorized. Rental car expenses will not be reimbursed unless the amount is found to be less expensive than the current rate of mileage per the IRS standard.

Section 140.070. Personnel.

Information contained in this file will include data pertinent to the individual's employment, such as their application form, reference checks, work history, job descriptions(s), performance evaluations, disciplinary actions, counseling records, commendations, etc. Personnel folders are available only to the employee, the HR Director, Mayor, and the Board of Aldermen. Personnel folders are available once quarterly to each employee for their review if requested. An employee wishing to add, delete, or change any file items must submit a written request to the HR Director, identifying the item(s) involved, the desired actions and the reasons therefore. Inquiries relative to earnings or job performance must be submitted in writing to the HR Director on business or credit agency letterhead, and the employee must give written permission for such information to be released. Only written inquiries will be acknowledged. Inquiries should be addressed to the HR Director and will be limited to employment confirmation, position, title, and length of service.
- G. *Performance Evaluation.* For the purpose of employee development and salary administration, each employee's performance will be reviewed and evaluated annually on or near the employee's anniversary date of employment or at a date determined by the HR Director. The performance evaluation will be based primarily on how well the employee addressed the responsibilities outlined in the description of their position. All employees will be asked to sign their evaluations verifying that they received the evaluation and that the

performance discussions were held. The employee's signature does not necessarily indicate that the employee agrees with the evaluation. In the event of any disagreement over any part of the evaluation, the employee may file a written statement to that effect and that statement will be attached to the evaluation and become an integral part of the employee's personnel folder.

Section 140.080. Corrective Performance Improvement and Disciplinary Actions.

The HR Director will inform the employee that his/her conduct must improve or he/she will face more severe disciplinary action. - E. A written admonition may be used for more serious infractions or in cases where the same rule has been broken. The HR Director shall state, in writing, the nature of the infraction leading to the disciplinary action and prior warnings, if any. The admonition shall include what improvement is expected, the time limits for this improvement to occur, and consequences if the improvement goal is not met. The employee should read and sign the warning in the presence of the HR Director. One (1) copy of the warning will be placed in the employee's personnel file, and one (1) copy will be given to the employee.

5. *Return of City Property.* An employee leaving the City's service for any reason and who has City-owned equipment or property in his/her possession shall return such equipment or property to the HR Director prior to receiving his/her last paycheck. Failure to return said property may result in an amount being withheld from the employee's paycheck equal to the value of the property.
- I. *Grievance Policy.* All employees shall have the right, except as specified herein, to utilize the grievance and complaint procedures of this Chapter. The grievance and complaint procedures of this manual will be available to full-time and part-time employees who work at least twenty-five (25) hours per week, who are not serving a probationary period, whether imposed due to a new position or for disciplinary performance reasons.
 1. *Purpose.* The grievance procedure provides the employee with a means of discussion and resolution of work-related grievances. The procedure is intended as a means of resolving situations where employees believe personnel policies have been or are being violated and are not a means to contest management decisions.
 2. *Time Limitations.* Grievances must be filed with the HR Director within ten (10) working days from the date of the alleged action (the time limit may be extended to ninety (90) days upon showing by the grievant that he/she did not or could not know of the alleged harm). Section. 140.090. Substance Abuse Policy.

The City will make every effort to provide a drug free workplace. Drug abuse in the workplace presents unacceptable dangers to our employees and the integrity of the City. The City reserves the right to routinely test employees for drug abuse as a condition of continuing employment when reasonable grounds to suspect substance abuse exist.

“Reasonable grounds to suspect substance abuse exists” is defined as suspicion based on personal observation by the HR Director of an employee’s appearance, behavior, speech, or breath odor.

Any employee involved in an injury or non-injury accident during scheduled business hours may be required to submit to a drug test. Failure to comply with this request for drug test will subject such employee to disciplinary action up to and including discharge.

All current and future employees will be required to acknowledge receipt of a copy of this policy and comply with its provisions. A copy of the substance abuse policy will be permanently posted in the City office.
