FROM THE CORONAVIRUS AID, RELIEF, AND ECONOMIC
SECURITY ACT TO REIMBURSE MUNICIPALITIES FOR
ACTUAL PUBLIC SAFETY COSTS INCURRED RELATED TO
COVID-19**

WHEREAS, The United States Congress enacted the Coronavirus Aid, Relief and Economic Security Act (the "CARES Act") providing a \$2 trillion dollars economic relief package to provide assistance for American workers, families, and small businesses; to provide assistance to state and local governments; and to preserve jobs for American industry; and

WHEREAS, the US Department of the Treasury distributed funds from the CARES Act proportionally based on 2019 census data directly to local governments, including directly to cities and counties with a population greater than 500,000 and directly to state governments; and

WHEREAS, the State of Missouri received \$1.9 billion dollars from The CARES Act, a portion of which was subsequently distributed in part to Missouri counties proportionally based on population, except those counties that received a direct payment under the CARES Act, along with a recommendation from the Governor that counties that received funds directly from the State of Missouri in turn distribute CARES Act funds to local governments located within their jurisdictions; and

WHEREAS, no municipality in St. Louis County (the "County") has received any CARES Act funds from the Federal government, the State of Missouri or the County; and

WHEREAS, Based on St Louis County's population numbers, which necessarily includes the residents of municipalities located in the County, the County received \$175 million directly from the United States Treasury designated to cover necessary expenses that are incurred due to the public health emergency caused by the COVID-19 pandemic; and

WHEREAS, the County Council has appropriated the entirety of the \$175 million in funding from The CARES Act and has given the County Executive absolute authority overuse and distribution of these funds without further review or oversight by the County Council; and

WHEREAS, the US Department of the Treasury has issued eligibility guidelines for use of the CARES Act funds which includes, in part, that payroll expenses for public safety may be presumed to be costs for services substantially dedicated to mitigation or responding to the COVID-19 public health emergency from and after the effective date of The CARES Act from March 27, 2020 thru December 31, 2020 (the "Eligibility Period"); and
