

**A RESOLUTION APPROVING AND AUTHORIZING THE
MAYOR TO EXECUTE AN AGREEMENT WITH
GERSTNER ELECTRIC, INC. FOR WORK ON BOLY LANE.**

WHEREAS, in March 2019 the City sought formal proposals in response to its invitation for bids for the installation of certain decorative streetlight fixtures along Big Bend Road known as the "2019 Big Bend Road Lighting Project"; and,

WHEREAS, the proposal was awarded to and the City contracted with Gerstner Electric, Inc. ("Gerstner Electric") for the 2019 Big Bend Road Lighting Project; and,

WHEREAS, based on the prior professional relationship established with Gerstner Electric, the City seeks to contract with Gerstner Electric to perform similar street lighting work to be completed in Big Bend at Boly Lane; and,

WHEREAS, Section 145.070.C of the Municipal Code, *Exception to the Purchase Policy*, allows the City to forego the conventional bidding process in various situations where it can be demonstrated that the City will receive the best value on a purchase; and,

WHEREAS, the Board, after giving its prior approval per Section 145.070.C does find that, because of the above, the City will receive the best value on a purchase through informal discussion and bargaining with Gerstner Electric rather than through the conventional bidding process.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF TWIN OAKS, MISSOURI, AS FOLLOWS:

Section 1. The Board of Aldermen hereby approves, and authorizes the Mayor to execute, the City-Contractor Agreement with Gerstner Electric, Inc., for street lighting work on Boly Lane at a price of \$9,049.00 (the "Agreement") substantially in the form of the Agreement attached hereto as Exhibit 1 and incorporated herein by reference.

Section 2. This Resolution shall be effective upon its passage by the Board of Aldermen and execution by the Mayor.

THIS RESOLUTION WAS PASSED AND APPROVED THE 15th DAY OF JULY 2020, BY THE BOARD OF ALDERMEN OF THE CITY OF TWIN OAKS, MISSOURI.

The Contractor will forfeit a penalty to the City of \$100 per day for each worker that is paid less than the prevailing rate for any Work done under the contract by the Contractor.

Subcontracts. The Contractor shall not subcontract any of the Work to be performed by it hereunder without the express written consent of the City. In addition, this Contract shall not be assigned by the Contractor.

Indemnification. To the fullest extent permitted by law, the Contractor agrees to defend with counsel selected by the City, and indemnify and hold harmless the City, its officers, engineers, representatives, agents and employees from and against any and all liabilities, damages, losses, claims or suits, including costs and attorneys' fees, for or on account of any kind of injury to person, bodily or otherwise, or death, or damage to or destruction of property, or any other circumstances, sustained by the City or others, arising from Contractor's breach of the Contract or out of services and operations performed hereunder by the Contractor, including the City's reliance on or use of the services or products provided by the Contractor under the terms of this agreement. The Contractor shall not be liable for any loss or damage attributable solely to the negligence of the City. The City and Contractor waive all rights against each other for damages caused by fire or other perils to the extent covered by Builder's Risk or any other property insurance, except such rights as they may have to the proceeds of such insurance; provided that nothing herein shall be deemed a waiver of the City's sovereign immunity relative to any claim against the City.

Nondisclosure. The Contractor agrees that it will not divulge to third parties without the written consent of the City any information obtained from or through the City in connection with the performance of this Contract. Nothing herein shall preclude disclosure of information by the City.

Changes. No change in this Contract shall be made except in writing prior to the change in the Work or terms being performed. The Contractor shall make any and all changes in the Work without invalidating this Contract when specifically ordered to do so in writing by the City. The Contractor, prior to the commencement of such changed or revised Work, shall submit promptly to the City, a written cost or credit proposal for such revised Work. The Contractor shall submit to the City its statement for the aforesaid amount, in such reasonable detail as the City shall request, within thirty (30) days after such date of termination. Notwithstanding any provision herein to the contrary, the City is obligated only to make the payments set forth in the attached Contract as may lawfully be made from funds budgeted and appropriated for that purpose during the City's then current fiscal year at the discretion of the City. If no funds are appropriated or otherwise made legally available to make the required payments for this Agreement during the next occurring fiscal year (an "Event of Nonappropriation"), this Agreement will terminate at the end of the then current fiscal year as if terminated expressly. The failure or inability of the City to appropriate funds for this Agreement in any subsequent fiscal year shall not be deemed a breach of this Agreement by any party. If applicable, this Agreement may be annually renewed at each fiscal year by inclusion of specific appropriation for this Agreement, from year to year not to exceed the maximum renewal period or term as set forth in the Agreement.

Accounting. During the period of this Contract, the Contractor shall maintain books of accounts of its expenses and charges in connection with this Contract in accordance with generally accepted accounting principles and practices. The City shall at reasonable times have access to these books and accounts to the extent required to verify all invoices submitted hereunder by the Contractor.

Correction Period. Contractor hereby expressly guarantees the aforesaid Work as to workmanship and quality of materials used in connection herewith for a term of one (1) year, commencing on the date of final acceptance by the City, and binds itself, its successors or assigns, to make all repairs or replacements which may become necessary within said period due to construction defects and nonconformity with the City specifications or contract. The Contractor warrants to the City that all materials and equipment furnished under the Contract and incorporated in the Work will be new unless otherwise specified, and that all Work will be of good quality, free from faults and defects and in conformance with the Contract. The Contractor's general warranty and any additional or special warranties are not limited by the Contractor's obligations to specifically correct defective or nonconforming Work as set forth herein, nor are they limited by any other remedies provided in the Contract.

Request for Proposals. If the City issued a request for proposals in connection with the Work, such request for proposals and the proposal of the Contractor in response thereto are incorporated herein by reference and made a part of this Contract. In case of any conflicts between the request for proposals and the executed Contractor Services Contract or proposal of the Contractor, the requirements of the City's Request for Proposal and this executed Contract shall control and supersede unless a change thereto is specifically stated in this Contract (including **Exhibit A**, "Scope of Work").

Project Records and Work Product. The Contractor shall provide the City with copies of all documents pertinent to the Work which shall include, without limitation, reports, correspondence, meeting minutes, and originals of all deliverables. The City shall own all right, title and interest, including without limitations, all copyrights and intellectual property rights, to all documents and Work Product of the Contractor created in performance of or relating to this Contract. Contractor agrees to take all steps reasonably requested by the City to evidence, maintain, and defend the City's ownership rights in the Work Product.

Site Operations. Where appropriate, the City will arrange for right of entry to any property at the request of the Contractor for the purpose of performing studies, tests and evaluations in connection with the Work.
