PUBLIC HEARING

The Public Hearing for public comment and consideration of the recommendation of the Planning & Zoning Commission concerning the amendments to Chapter 400 of the City's Zoning Regulations was called to order by Mayor Fortune at 7:20 p.m. Mayor Fortune stated the first reading of Bill 20-21 was read at the December 2nd Board meeting. Attorney Rost stated that the zoning review done by the Planning & Zoning Commission has been a 12 to 14 month process. He gave an overview of the changes for the public. The biggest change made was to accessory structures in a residential district. Lot size is now the main determining factor in approval of a structure.

Alderman Whitmore asked if the electric issue was caused by the Christmas lights installed in the Park for the holidays. City Clerk Johnson stated that this has been an ongoing problem.

CITY CLERK'S REPORT

General Updates

Restaurant Assistance

- Staff reached out to every restaurant in the City with a phone call to offer assistance and inform them of the temporary outdoor dining extension (where applicable). Received one specific request for assistance from Imo's in regards to an issue with the traffic light at the north exit to the shopping center on Big Bend. It reportedly will sometimes not cycle, leaving drivers unable to go west or north.
- Staff contacted St. Louis County's Traffic Department to investigate, who stated that the light uses a video detection system and that they occasionally have had issues with these systems failing to detect drivers. They asked that drivers report any problems to their signals malfunction hotline when they occur.

Additional Signage for Crescent Road

• The City is currently exploring adding additional signage to Crescent Road that would clearly state where the one-way traffic begins with the goal of educating drivers to stay in their proper lane. The City may also look at restriping the centerline for added visibility.

Dog Bite

• St. Louis Animal Control is continuing to investigate this incident. They have received statements from both parties and are waiting on a report from the veterinary. Officer Wehner will work with the County to issue any ordinance violations following the investigation's conclusion.

Aldi's Development

• BFA estimates they will have their review of the preliminary plans completed by Dec. 16.

Dunkin Donuts

• Based on recent discussions with the developer, construction could begin on this project in the next several weeks. Lease negotiations that are nearly finalized had partly been responsible for delaying the start date.

Project Updates

Park Paths Patching and Sealing

• The City received bids from Topps Paving and Sealing for patching two sections (101 square yards total) for \$3,451 and for seal coating approximately 2,428 square yards for \$3,035.

• Contracts for the work have been sent to Topps for approval. Project is planned for spring 2021.

Playground Surface Repair

- The playground surface in the swings area has started to separate from the concrete edge. This two-step project will first involve Focal Pointe cutting and removing a 1' wide strip around the perimeter and then NuToys will install pour-in-place surface.
- The cost for the removal by Focal Pointe is \$1,487 and the cost for the install of new surface by NuToys is \$6,065, for a total cost of \$7,552. Work will be done in the spring as it requires consistent warmer temperatures.

Woodland Oaks Light

• Gerstner estimates the cost of replacing the broken fixture and installing the pole at \$6,895.50. It assumes trenching a similar amount of conduit as the Boly Entrance project.

Rose Garden Irrigation

• We received an estimate for \$1,200 from Alternative Rain to replace the drip irrigation system in the Rose Garden with a spray system. Work was completed on Dec. 9.

Creek Bed Repair

• DJM completed the project on Dec. 1.

Crescent Road Sidewalk Project

• Topographic survey completed on Nov. 23. BFA expects to have preliminary design completed by the end of December.

Autumn Leaf Runoff

• City Attorney Paul Rost has drafted an initial agreement for a Stormwater Management Easement. We will be meeting with BFA on Monday to discuss next steps on finalizing the agreement.

Autumn Leaf Sewer Backups

• Approval for this work was issued on Nov. 17. Contractor is now estimating work to begin on Dec. 16. We will send out information to residents once it's confirmed.

Crescent Triangle Footbridge

• Installed and completed by maintenance staff on December 9.

MAYOR AND ALDERMAN COMMENTS

Alderman Whitmore stated that the new bridge in the Crescent Road triangle is a nice addition to this area. He feels, however that the new plantings in this area are a little disappointing in the size and quality of the plants.

Alderman Whitmore feels the City dropped the ball in their response to the dog attack which occurred at the Golden Oak entrance to the Park. He stated that the City should have done more concerning to more quickly address the concerns from residents about the incident.

Alderman Whitmore thanked City Clerk Johnson for all of his work for the City and he appreciates his dedication.

Alderman Eisenhauer thanked City Clerk Johnson for working through the COVID situation and keeping the lines of communication open. It has been very refreshing.

Alderman Stoeckl was in agreement with Alderman Whitmore in regards to the City's response to the dog attack. He felt that the residents in the condos should have been notified of the incident. He wished everyone a Merry Christmas and will be glad when the Board meetings can be held at City Hall once again.

Alderman Milne also thanked City Clerk Johnson for all of his work for the City. She said that it is refreshing the way the Board is kept informed on issues as they arise. She also is pleased with the bridge in the Crescent Road triangle. In the future she would like to see more seating and picnic tables in this area.

Mayor Fortune thanked the Board for all of their hard work this year. He also feels City Clerk Johnson has done a great job getting the City and the Board through this year.

City Clerk Johnson thanked the Board for their support while he was getting on his feet as City Clerk.

FINAL CITIZEN COMMENTS

Jeff Graves thanked everyone for their hard work and wished everyone a Merry Christmas.

MINUTES OF THE WORK SESSION VIRTURAL MEETING CITY OF TWIN OAKS BOARD OF ALDERMEN WEDNESDAY, DECEMBER 16, 2020

The Work Session was called to order by Mayor Fortune at 6:00 p.m. pursuant to public notice and agenda. Roll Call was taken:

RECIPROCAL RECREATION AGREEMENT WITH CITY OF BALLWIN

City Clerk Johnson informed the Board that the office has received several inquiries about reciprocal memberships to the Ballwin Pointe. At this time the City has an agreement with the City of Des Peres for the Lodge and the City of Fenton for Riverchase. The agreements state that Twin Oaks residents pay the resident rates and the City will pay the difference between the resident and non-resident rate.

The City of Ballwin has the Pointe Recreation Center, the North Pointe Aquatic Pool and the 9-hole golf course. The Board was in agreement to have City Clerk Johnson talk with the Recreation Director for the City of Ballwin and see what an agreement would contain for our residents.

OCCUPANCY PERMIT FEES AND INSPECTIONS

City Clerk Johnson stated that he has been reviewing the fees charged for Occupancy Inspections in the City. At this time the City contracts with St. Louis County for home inspections. The County charges the City \$95.50 per inspection and we in turn charge the resident \$150.00. When the apartments came along the City had John Williams, Public Works, do the inspections after his regular work hours. The City pays Mr. Williams \$75 per inspection and in turn the City charges the apartments \$75 per inspection. City Clerk Johnson stated St. Louis County charges \$45 per inspection.

City Clerk Johnson stated there is nothing wrong with the way the City is doing the inspections at this time, however he would like to propose having St. Louis County do

the apartment inspections for consistency purposes. He would like to propose lowering the fee charged for home inspections to \$95.50 and the fee charged for apartment inspections to \$45.

Alderman Milne was in favor of charging Twin Oaks residents what St. Louis County charges the City.

City Clerk Johnson also stated that Valley Park Fire Department has been doing inspections at the apartments as well. He has spoken with Taylor of Propper Development and normally the fire department will do yearly inspections of a building. Mayor Fortune stated that he will speak with the Chief about the fire inspections.

Alderman Eisenhauer stated that the City should not publish the exact amounts of the inspections in the codebook. This way when costs change the codebook will not need to be updated.

Attorney Rost stated he will draw up an ordinance for this change. He will state in the ordinance that the fee is just a reimbursement of our cost from the County.

ADJOURNMENT

Alderman Eisenhauer motioned to adjourn the Work Session Meeting at 6:25 p.m., seconded by Alderman Milne and motion passed with the unanimous consent of the Board of those present.

Memo to:	Board of Aldermen
From:	Frank Johnson, City Clerk
Subject:	Reciprocal Recreation Agreement with City of Ballwin
Date:	December 22, 2020

City staff met with Chris Conway, Parks and Recreation Director for the City of Ballwin, on Dec. 21 to discuss a potential reciprocal use agreement for Twin Oaks residents. The proposed agreement would cover two recreational facilities: the Pointe recreation center and the North Pointe aquatic center. The golf course would not be included at this time. However, Ballwin is currently working on creating a membership program for non-residents.

AGREEMENT STRUCTURE

The agreement would be structured in a manner similar to what Twin Oaks currently has with the cities of Des Peres and Fenton. Twin Oaks residents would be able to purchase memberships at the resident rate and the City will be billed the difference for the non-resident rate.

Given the complexity of the different types of membership offered (see the table below), staff recommends setting a maximum subsidy budget that is offered on an annual "first-come, first-served" basis. In addition, there is not presently an effective way for staff to know the level of interest Twin Oaks residents may have in the various offerings, so this approach allows for maximum flexibility in meeting the potential demand of residents.

For the initial year, staff is recommending a budget of \$3,000 offered on a "first-come, first-served" basis. This would be enough for approximately 13 "platinum" memberships (includes Pointe and North Pointe facilities), 14 Pointe memberships, or 34 pool passes. This allocation is based on the level of demand for memberships at the Des Peres recreation center that the City has seen in the past.

City Clerk's Report

City of Twin Oaks, Board of Alderman

January 4, 2020

General Updates

City Newsletter

- Staff has started working on creating a quarterly email newsletter. The newsletter will be sent using email marketing service Mailchimp with the goal of providing general updates and notices on City activities, projects and upcoming events.
- In addition, staff will also transition to using Mailchimp for sending out the news announcements from the website. In addition to the design features, Mailchimp has tools for analytics and list management not offered by CivicPlus.
- At this time, the City's email list is small enough that a paid account is not required.

Occupancy Permit Process and Fees

• City staff informed the apartment management that starting Jan. 1, St. Louis County will perform occupancy inspections. Since changing the occupancy fees requires amending the zoning code, the changes will first go to the P&Z commission at their Jan. 26 meeting with a public hearing and board approval at the Feb. 6 meeting.

Arctic Cat Auction

• The auction of the Arctic Cat via GovDeals was successful with the winner bidder coming in at \$5,051. The winning bidder picked up the vehicle on Dec. 31.

Dog Bite

• St. Louis Animal Control is still continuing to investigate this incident. They have received statements from both parties and are waiting on a report from the veterinary. Officer Wehner will work with the County to issue any ordinance violations following the investigation's conclusion.

Aldi's Development

• The City received comments from BFA on Dec. 21, which were forwarded to the developer. Currently waiting on developer response and submission of revised plans to schedule P&Z review.

Project Updates

Condo Curb Repairs

• The City received one bid for the concrete curb work on Autumn Leaf in the amount of \$8,550 from Crowder Construction. Due to the cost, maintenance staff is working on securing two additional bids.

Additional Signage for Crescent Road

• John has purchased and received signs. Location has been marked and utility locates have been called in. Exact installation date will depend on the weather.

Park Paths Patching and Sealing

- The City received bids from Topps Paving and Sealing for patching two sections (101 square yards total) for \$3,451 and for seal coating approximately 2,428 square yards for \$3,035.
- Contracts for the work have been sent to Topps for approval. Project is planned for spring 2021.

Playground Surface Repair

- The playground surface in the swings area has started to separate from the concrete edge. This two-step project will first involve Focal Pointe cutting and removing a 1' wide strip around the perimeter and then NuToys will install pour-in-place isurface.
- The cost for the removal by Focal Pointe is \$1,487 and the cost for the install of new surface by NuToys is \$6,065, for a total cost of \$7,552. Work will be done in the spring as it requires consistent warmer temperatures.

Woodland Oaks Light

• Work is scheduled to begin on Monday, Jan. 4.

Crescent Road Sidewalk Project

• Topographic survey completed on Nov. 23. BFA expects to have preliminary design completed by the end of December.

Autumn Leaf Runoff

- City Attorney Paul Rost has drafted an initial agreement for a Stormwater Management Easement. We met with BFA on Dec. 14 to discuss next steps on finalizing the agreement.
- Following the Dec. 14 meeting, BFA and City Attorney Rost have the information they need and are currently working to finalize the agreement re: the location of the easement.

Autumn Leaf Sewer Backups

• Contractor is now estimating work will begin on Monday, Jan. 4, and finish by Jan. 6.
