**Park Report:** Cindy Slama, Park Chairman, stated that the Park Committee voted to pursue the decorative wagon for the Park. They are still discussing the size wagon and placement. Once the weather clears the Committee will go to the Park to decide on the size and location of the wagon. Alderman Milne asked for clarification on the wagon, what the purpose and what type of material the wagon would be made of.

The Committee discussed purchasing bird and bat houses for the Park. No decision was made at this time.

Alderman Whitmore asked if the Committee was considering having the July 3<sup>rd</sup> fireworks this year. Ms. Slama stated that she did not feel that it was a good idea in light of the situation at this time with the pandemic. She stated that this decision would be left up to the Board. Alderman Milne asked if this was a decision we needed to make at this time. Discussion ensued and City Clerk Johnson will look into when a decision needs to be made. Ms. Slama did state that the Park is considering having a concert in August or September and they are planning on having Family Fun Day.

He gave a review of what the development will entail.

City Clerk Johnson asked for any questions or comments from the public. There being no questions or discussion, Mayor Fortune closed the Public Hearing at 7:26 p.m.

### **NEW BUSINESS**

**Resolution 21-4-A Resolution Of The Twin Oaks Board Of Aldermen Approving An Agreement With Oreo And Botta Concrete Company, LLC for Removing And Replacing Bench Pads In Twin Oaks Park:** City Clerk Johnson gave a description of the work to be done. Mayor Fortune asked for any questions concerning Resolution 21-4. Mayor Fortune asked for a motion to approve Resolution 21-4. Alderman Whitmore motioned to approve Resolution 21-4, seconded by Alderman Stoeckl. The motion passed by voice vote of three yes, zero no and one abstention.

**Resolution 21-5-A Resolution Of The Board Of Aldermen Of The City Of Twin Oaks Approving A Preliminary Development Plan For A Portion Of The Twin Oaks Center Submitted By Aldi, Inc.:** Mayor Fortune asked if the three items which were suggested by the Planning & Zoning Commission were added to the plans. City Clerk Johnson stated that they have been added and are as follows:

- The entire parking lot will be restriped.

- The existing Shop n Save façade shall match the new Aldi's façade. The paint colors have been provided.
- To update the plans to display the areas to be milled and overlay.

City Clerk Johnson reviewed the 3<sup>rd</sup> Code Review letter received from BFA Engineering.

Alderman Whitmore had three points he would like to discuss concerning the exterior of the building. He stated that the building currently has a contrasting brick strip that runs around each side. He would like to see this added to run in the front of the building on the proposed Aldi façade.

Secondly, the Aldi sign has brick on each side, he would like to see the brick continued on the top and bottom of the sign as well.

Finally, the paint samples which have been provided that will be used on the unoccupied portion of the building do not seem to match. Yosef Hawley, Civil Engineer for Aldi stated that these colors are to neutralize that portion of the building. Alderman Whitmore was also concerned with the future of the unoccupied portion of the building and what those colors will be.

Discussion ensued on these points. Alderman Milne stated that she did not have any issues with what has been proposed by Aldi for the exterior look. Other members of the Board were in agreement.

Mayor Fortune stated that Aldi requested that the delivery hours in place at this time be removed. Mayor Fortune reminded the Board that the previous developmental plans for Shop n' Save prohibited delivery between the hours of 12:00 a.m. and 6:00 a.m. He is opposed to doing away with this restriction at this point. He felt if they were to consider this they would need to go back to the Manchester residents that back up to the retail space since this was promised to them at the time Shop n' Save was built. Discussion ensued. The Board was in agreement to keep the delivery hours as they are. Aldi representatives were also in agreement with the Board's decision.

Alderman Milne inquired about the cart enclosure. The enclosure that is proposed on the plans are posts installed along the front of the building. Discussion ensued as to the various options at other Aldi's which include a full enclosure or a half brick wall to block the view of the carts. Alderman Eisenhauer was not in favor of the full enclosure. Discussion ensued on the various options. The Board agreed to have the half brick wall constructed. Aldi was in agreement with this change to the plans.

Mayor Fortune asked for a motion to approve Resolution 21-5. Alderman Milne motioned to approve Resolution 21-5 with the addition of the half brick cart screen, seconded by Alderman Eisenhauer. The motion passed by voice vote of four yes and zero no.

**Proclamation:** Mayor Fortune stated that Schnuck's will be honoring their employees on February 22, 2021 proclaiming the day as Supermarket Employee Day. They had asked the City to issue a Proclamation stating that February 22, 2021 as Supermarket Employee Day.

Alderman Whitmore motioned to make February 22, 2021 Supermarket Employee Day, seconded by Alderman Eisenhower and the motion passed on a voice vote.

Once the Proclamation is ready, Mayor Fortune will take and present to the employees.

### **DISCUSSION ITEMS**

There were no Discussion Items at this time.

### **ATTORNEY'S REPORT**

Attorney Rost stated that the Missouri Legislature is looking at legislation on the Use Tax which could have an effect on Twin Oaks. He will continue to monitor the situation.

### **CITY CLERK'S REPORT**

#### **General Updates**

##### **Aldi's Development**

- The Planning and Zoning Commission recommended approval of the preliminary development application with conditions at their meeting on Jan. 27. Plans and application materials were emailed to the board on 1/28. Conditions:
  - (1) the entire parking lot must be restriped instead of a portion and
  - (2) the remaining Shop n' Save façade be painted to match the color scheme of the Aldi façade.
- Public hearing and Board consideration are scheduled for the Feb. 16th meeting.

##### **Dunkin Donuts Development**

- Building permits were issued for the Dunkin Donuts last week, and the developer is now proceeding to construction.

##### **Recreation Agreements**

- Staff posted information on the City website on the new recreation agreement with Ballwin as well as the two existing ones with Fenton and Des Peres. Announcement was also shared by email and social media.

## **Occupancy Fees**

- The occupancy application forms and City website have been updated to reflect the new fee.

## **Debt Service Payment**

- Invoice has been received from US Bank for the bi-annual debt service payment. Check will be mailed at the beginning of March.

## **Project Updates**

### **Electrical Repairs in the Park**

- Staff has finished the first draft of the RFP and it has been sent to City Attorney Paul Rost for review.

### **Condo Curb Repairs**

- Oreo & Botta estimates the work will take two days to complete and is looking at scheduling it for April.

### **Picnic Table Pads**

- Staff is also recommending having Oreo & Botta remove and replace six concrete bench pads in the park at a total cost of \$2,875. The pads have settled and are creating trip hazards.

### **Woodland Oaks Light**

- City staff has informed Gerstner Electric that the project is being put on hold for that moment. Because we already had a signed contract with them, however, they had proceeded to purchase the fixture for the light. If Gerstner is unable to use the fixture in another project or does not need to keep it on hand for inventory, then the City will likely be liable to pay for it.
- In that case, the City can either keep it ourselves as a spare replacement in case there's an issue with an existing light, or hold on to it until such time as the City decides to move forward with installing the Woodland Oaks light.

### **Crescent Road Sidewalk Project**

- BFA has completed work on two alternate plans for the sidewalk, based on the discussions at the Jan. 15 work session. This gives the board a total of three possible routes for the sidewalk:
  - Option A: The first option presented to the Board, it is the most expensive due to the relocation of all utility poles in the project area but requires the least amount of ROW acquisition.
  - Option B: This option does not require any utility poles to be moved, but

requires the most ROW.

- Option C: This hybrid option moves a single utility pole in order to reduce ROW needs while still achieving some cost savings.

### **Autumn Leaf Runoff**

- Staff and City Attorney Paul Rost met virtually with our counterparts at Twin Oaks Presbyterian Church on Feb. 5 and discussed several revisions to the maintenance agreement. The city also received the berm/swale plan from the church's contractor. A revised agreement and berm/swale plan were sent to the church for their review on Feb. 10.

City Clerk Johnson thanked John Williams, Public Works for all of his time and effort during the recent snow. Mr. Williams spent many hours working to make sure that the Twin Oaks streets were clear.

### **MAYOR AND ALDERMAN COMMENTS**

Alderman Whitmore thanked City Clerk Johnson for the in-depth detail he has provided on all of the issues the Board is considering at this time.

Alderman Eisenhower provided the name of the dog park where the wagon that is being considered for the Park is located. The park is Happy Hound in Ellisville off Pond Road for anyone interested in seeing the wagon in person. She also thanked City Clerk Johnson for all of the information he has provided the Board.

Alderman Stoeckl also thanked City Clerk Johnson for his work in providing information on the issues in front of the Board.

Alderman Milne also extended her thanks to City Clerk Johnson. She was also happy that the RFP on the electric work being proposed for the Park is being done in-house.

Mayor Fortune thanked Mr. Williams as well as his wife Kathy Williams for all the time and effort they spent clearing the streets of Twin Oaks.

Mayor Fortune also thanked City Clerk Johnson for all of his work providing the information on the issues in front of the Board

### **FINAL CITIZEN COMMENTS**

There were no final citizen comments.

**CRESCENT ROAD SIDEWALK PROJECT**

Tiffany Campbell of BFA Engineering reviewed the three proposed plans for a proposed sidewalk on Crescent Avenue and the cost associated with each plan.

Option A, the original plan presented to the Board, involves moving four utility poles and construction of a retaining wall. This options estimated cost was \$153,093.60. Option B, which contains the recommendations and changes proposed by the Board of Aldermen, has an estimated cost of \$95,436.00. This option will not move any utility poles and does not include construction of a retaining wall. This option has the sidewalk running around the utility poles. Option C, the final option, has an estimated cost of \$102,228.50. This moves one utility pole, which will allow the sidewalk to be closer to the street, and is not as intrusive to the residents who will be affected by the sidewalk. All of the options have trees and shrubs which will need to be removed.

Discussion ensued. Alderman Whitmore asked if the Board was ready to meet with the homeowners who will have the sidewalk running through their yards. City Clerk Johnson stated that he would be happy to schedule the meeting. He suggested that the Board decide if they would like to meet with each resident separately or as a group. The Board felt that it may be wise to meet individually with the homeowners at City Hall due to the pandemic. City Clerk Johnson will schedule the meetings beginning the first of March.

Alderman Milne suggested presenting Options A and C to the homeowners. The Board was in agreement. Ms. Campbell will print the plans for Options A and C to have available for the homeowners.

Mayor Fortune asked the Board to let him know if they would be interested in being in attendance at these resident meetings.

Attorney Rost stated that he felt it would be better if he did not attend the meetings. The purpose of these meetings are to inform the residents of the options and what will be involved.

**ADJOURNMENT**

Alderman Milne motioned to adjourn the Work Session Meeting at 6:53 p.m., seconded by Alderman Eisenhower and motion passed with the unanimous consent of the Board of those present.

# City Clerk's Report

City of Twin Oaks, Board of Alderman

February 26, 2021

## General Updates

### **Aldi's Development**

- Staff followed up with developers after the Feb. 17 meeting and shared information on the approval process for the final development plan and the process for applying for building permits.

### **Safety Issues at Meramec Station Road and Big Bend Road**

- In the last several weeks, the City has heard from several residents concerned with the safety of the Meramec Station Road and Big Bend Road intersection. Mayor Fortune has shared their concerns with Councilman Tim Fitch, who has requested a review of the intersection by the County's transportation and public works department.
- Crash data compiled by St. Louis County Police Officer John Wehner for the last several years is included with your packet.

### **GFOA Certificate of Achievement in Excellence Report**

- The City was recently informed that the Government Finance Officers Association (GFOA) has awarded the City a Certificate of Achievement for Excellence in Financial Reporting for the 2019 audit. This is the 13th year the City has achieved this prestigious award.

### **Trash Pickup Assistance**

- The City recently received a request from a resident who, due to health and mobility issues, is unable to get his trash carts down their driveway to the curb. Waste Management can do a pickup directly from his porch for an extra \$5 per household. Staff has approved the resident's request.

### **Clothing Order**

- Staff have received a quote on the order for the City-branded clothing items. Total cost for a minimum order of 12 items is \$353.90 plus shipping, which is estimated to be an additional \$50. This cost includes embroidery of the logo on the front.

### **Walgreens Temporary Dumpster**

- A temporary dumpster permit has been approved for Walgreens through April 1. They are working on replacing and/or repairing the permanent dumpster due to issues with its compaction mechanism.

## Project Updates

### **Electrical Repairs in the Park**

- Staff has finished the first draft of the RFP and received feedback from City Attorney Paul Rost for review. Next step will be meeting with Maintenance Supervisor John Williams to finalize project specifications.

### **Condo Curb Repairs**

- Oreo & Botta estimates the work will take two days to complete and is looking at scheduling it for April.

### **Picnic Table Pads**

- Oreo & Botta is also looking to schedule this work for April.

### **Crescent Road Sidewalk Project**

- Based on discussions at the Feb. 17 work session, BFA has prepared and printed versions of Concept A and Concept C. Staff has scheduled meetings with two of the three impacted homeowners on Crescent Road and Golden Oak.

### **Autumn Leaf Runoff**

- We are still waiting on review of the revised license agreement by the Church's attorney. Church management has said they have no further revisions or comments on the agreement.
- The church's contractor has revised and submitted a proposal for a berm and swale based on feedback from the City. The contractor will submit a site work application to the City and then submit for a land disturbance permit from St. Louis County. This work will be proceeding as we continue to work on finalizing the license agreement.
- Staff and City Attorney Paul Rost met virtually with our counterparts at Twin Oaks Presbyterian Church on Feb. 5 and discussed several revisions to the maintenance agreement. The city also received the berm/swale plan from the church's contractor. A revised agreement and berm/swale plan were sent to the church for their review on Feb. 10.
