### REPORT OF COMMITTEES/COMMISSIONS/CONTRACTORS

**Police Report:** Sergeant John Conrardy reviewed the July police report. Radio calls, police reports and self-initiated calls remained relatively unchanged. The report did include thefts of liquor at the Walgreens store on Big Bend. Sergeant Conrardy informed the Board that Walgreens stores have been targeted by an organized retail theft ring. Twin Oaks, working with other municipalities, has been instrumental in being able to identify members of this organization. The Board noted that auto accidents were down significantly for the month. The Board asked if there had been any increase in vandalism in Twin Oaks Park. City Clerk/Administrator Frank Johnson clarified that there had been a miscommunication regarding vandalism and there has not been an increase vandalism since the bathrooms are now open till 10:00 pm but there have been challenges with the

locks themselves. Sergeant Conrardy stated that there continues to be a police presence in the park after dark.

License Plate Reader (LPR) Cameras: Sergeant Conrardy presented photos taken by the new LPR cameras recently installed in Twin Oaks. Pictures are clear and very readable for identification. Sergeant Conrardy was encouraged with quick apprehension of a stolen trailer that was identified by our LPR cameras. Twenty-four hours after the LPR had been installed on Big Bend the police were able to apprehend and return stolen property. Big Bend is the first major road to have the LPR cameras installed.

### PRELIMINARY CITIZEN COMMENTS

There were no preliminary citizen comments.

### **NEW BUSINESS**

Bill No. 22-19: An Ordinance Approving a Second Amendment to the Contract with Crowder Construction, Inc., for Snow and Ice Management Services for the 2022-23 Winter Seasons. City Clerk/Administrator Johnson read the resolution. He stated that this contract does have a cost increase from the previous year. Following a discussion City Clerk/Administrator Johnson was instructed to gather costs estimates to compare for the 2023-24 year contract. City Clerk/Administrator Johnson read the bill a second time. Alderman Whitmore motioned to approve Bill No 22-19, seconded by Alderman Milne, and the motion passed on a roll call vote as follows: Alderman Milne-yea, Alderman Whitmore-yea, Alderman Stoeckl-yea and Alderman Eisenhauer-yea. Mayor Fortune stated that Bill No 22-19 being duly passed becomes Ordinance No. 22-19.

### **DISCUSSION ITEMS**

IT Services RFP: City Clerk/Administrator Johnson reviewed the contract with the Twin Oaks IT service provider. Pricing for service with Brain Mill will not increase for the 2023 year and the contract has an increase cap of 5% in subsequent years. City Clerk/Administrator Johnson added that the personal at Brain Mill have always been easy to work with and service has been excellent. City Clerk/Administrator Johnson recommended that we continue to work with Brain Mill as our IT support for the 2023 year and revisit sending out a RFP for the 2024 year. The Board agreed and instructed City Clerk/Administrator Johnson to proceed with the contract.

**Radar Data Report:** City Clerk/Administrator Johnson presented to the Board the results of data collected from radar signs located on Boly Ln and South bound Autumn Leaf Dr. The information collected contained data on traffic amounts, rate of speed, date and time stamps. Data was collected over a weeks' time. Information gathered found that speed of cars were found not to be excessive on either road.

Alderman Milne reported a change in Valley Park School bus route beginning in September. Due to time constraints students will be dropped off on Big Bend and Boly Ln in the afternoon. The Board reviewed the data from the radar signs at that time of day. Concerns about traffic amounts

and speed during those time periods created concerns over student safety. Following a discussion the Board directed City Clerk/Administrator Johnson to compose a letter to the Valley Park School district listing Twin Oaks concern and to create a flier to be mailed to residents to inform them of the upcoming changes in the bus drop off location and to remind everyone to be alert when entering the Boly Ln. entrance.

### **ATTORNEY'S REPORT**

**Attorney Greg Dohrman:** Attorney Greg Dohrman attended the BOA meeting for City Attorney Paul Rost, who is on vacation. Mr. Dohrman had no report at this time.

### **CITY CLERK'S REPORT**

City Clerk/Administrator Johnson referred the Board to his written report and provided a summary of its contents. He informed the Board about upcoming changes to the process of scheduling bulky items for trash pickup. Starting Sept. 1, residents will schedule the pickups with Waste Management directly. He also informed the Board that the fence replacement project for Twin Oaks Park is scheduled to begin on Aug. 16, and he updated the Board on the status of the Crescent Avenue sidewalk project.

### **MAYOR & ALDERMEN COMMENTS**

Alderman Eisenhauer apologized for her absence at the Board meeting on July 20.

Alderman Tim Stoeckl asked if the City was responsible for cutting back the bushes that are currently covering a stop sign on Autumn Leaf and Birnamwood Drive. Alderman Whitmore said to contact the HOA Board of the Condo Association to have the bushes trimmed.

Alderman Whitmore inquired about repair work for the surface of Boly Ln. City Clerk/Administrator Johnson has spoken with BFA regarding the repair work that would be needed to improve the road. BFA providing information on possible options for the road, including a full depth repair. Another micro surface overlay isn't recommended at this time. The repair would be costly and not have the desired outcome. The Board expressed concern over waiting another winter season before repairs are made and instructed City Clerk/Administrator Johnson to look into a short-term fix while the Board plans for a longer-term solution.

Alderman Milne will not be at the August 20, BOA meeting.

Mayor Fortune remarked on the popularity of the Twin Oaks Polling location. The City Hall was steady thought out primary voting day on August 2.

### **FINAL CITIZEN COMMENTS**

There were no final citizen comments.

### **ADJOURNMENT**

There being no further business Mayor Fortune ask for a motion to adjourn the meeting. Alderman Milne so motioned, seconded by Alderman Eisenhauer and the regular meeting was adjourned at 8:04 pm.

#### IMPORTANT INFORMATION

Finance Charge Calculation Methods and Computation of Average Daily Balance Subject to Finance Charge: The Finance Charge Calculation Method applicable to your account for Cash Advances and Credit Purchases of goods and services that you obtain through the use of your card is specified on the front side of this statement and explained below:

Method A - Average Daily Balance (including current transactions): The Finance Charge on purchases begins on the date the transaction posted to your account. The Finance Charge on Cash Advances begins on the date you obtained the cash advance, or the first day of the billing cycle within which it is posted to your account, whichever is later. There is no grace period.

The Finance Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of your account. To get the average daily balance, we take the beginning balance of your beginning balance of your beginning balance of your beginning balance of your beginning balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Method E - Average Daily Balance (excluding current transactions): To avoid incurring an additional Finance Charge on the balance of purchases (and cash advances if Method E is specified as applicable to cash advances) reflected on your monthly statement, you must pay the New Balance shown on your monthly statement on or before the Payment Due Date. The grace period for the New Balance of purchases extends to the Payment Due Date.

The Finance Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of purchases (and if applicable, cash advances). To get the average daily balance, we take the beginning balance of your account each day and subtract any payments, credits, non-accruing fees, and unpaid finance charges. We do not add in any new purchases or cash advances. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Method G - Average Daily Balance (including current transactions): To avoid incurring an additional Finance Charge on the balance of purchases (and cash advances, if Method G is specified as applicable to cash advances) reflected on your monthly statement and, on any new purchases (and if applicable, cash advances) appearing on your next monthly statement, you must pay the New Balance, shown on your monthly statement, on or before the Payment Due Date. The grace period for the New Balance of purchases extends to the Payment Due Date.

The Finance Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of purchases (and if applicable, cash advances). To get the average daily balance, we take the beginning balance of your account each day, add any new purchases or cash advances, and subtract any payments, credits, non-accruing fees, and unpaid finance charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Payment Crediting and Credit Balance: Payments received at the tocation specified on the front of the statement after the phrase "MAKE CHECK PAYABLE TO" will be credited to the account specified on the payment coupon as of the date of receipt. Payments received at a different location or payments that do not conform to the requirements set forth on or with the periodic statement (e.g. missing payment stub, payment envelope other than as provided with your statement, multiple checks or multiple coupons in the same envelope) may be subject to delay in crediting, but shall be credited within five days of receipt. If there is a credit balance due on your account, you may request in writing, a full refund. Submit your request to the Account Inquiries address on the front of this statement.

By sending your check, you are authorizing the use of the information on your check to make a one-time electronic debit from the account on which the check is drawn. This electronic debit, which may be posted to your eccount as early as the date your check is received, will be only for the amount of your check. The original check will be destroyed and we will retain the image in our records. If you have questions please call the customer service number on the front of this billing statement.

Closing Date: The closing date is the last day of the billing cycle; all transactions received after the closing date will appear on your next statement.

Annual Fee: If your account has been assessed an annual fee, you may avoid paying this annual fee by sending written notification of termination within 30 days following the mailing date of this bill. Submit your request to the Account Inquiries address on the front of this statement. You may use your card(s) during this 30 day period but immediately thereafter must send your card(s), which you have cut in half, to this same address.

<u>Negative Credit Reports:</u> You are hereby notified that a negative credit report reflecting on your credit record may be submitted to a credit reporting agency if you half to fulfill the terms of your credit obligations.

### **MEMORANDUM**

TO: Twin Oaks Planning & Zoning Commission

CC: Frank Johnson, City Clerk/Administrator

FROM: Paul Rost, City Attorney

RE: Home-Based Businesses – Required Changes based on H.B. 1662

**DATE:** July 20, 2022

This legislative session the Missouri General Assembly passed, and the Governor has signed, H.B. 1662 limiting local authority in the regulation of home occupations. Specifically applicable to 4<sup>th</sup> class cities such as Twin Oaks, H.B. 1662 adopted changes relating to "Home Based Businesses" (to be codified as §71.990 RSMo.). At the same time, though it also adopted regulations in the state Zoning Enabling Act, Chapter 89 RSMo., relating to "Home Based Work" (to be codified as §89.500 RSMo.). The two types of home occupations are defined differently and have dissimilar limitations on local authority.

The two new laws are set forth below in their entirety:

### Section 71.990. 1. As used in this section, the following terms mean:

- (1) "Goods", any merchandise, equipment, products, supplies, or materials;
- (2) "Home-based business", any business operated in a residential dwelling that manufactures, provides, or sells goods or services and that is owned and operated by the owner or tenant of the residential dwelling.
- 2. Any person who resides in a residential dwelling may use the residential dwelling for a home-based business unless such use is restricted by:
  - (1) Any deed restriction, covenant, or agreement restricting the use of land; or
  - (2) Any master deed, bylaw, or other document applicable to a common-interest ownership community.
- 3. Except as prescribed under subsection 4 of this section, a political subdivision shall not prohibit the operation of a no-impact, home-based business or otherwise require a person to apply for, register for, or obtain any permit, license, variance, or other type of prior approval from the political subdivision to operate a no-impact, home-based business. For the purposes of this section, a home-based business qualifies as a no-impact, home-based business if:

- (1) The total number of employees and clients on-site at one time does not exceed the occupancy limit for the residential dwelling; and
- (2) The activities of the business:
  - (a) Are limited to the sale of lawful goods and services;
  - (b) May involve having more than one client on the property at one time;
  - (c) Do not cause a substantial increase in traffic through the residential area;
  - (d) Do not violate any parking regulations established by the political subdivision;
  - (e) Occur inside the residential dwelling or in the yard of the residential dwelling;
  - (f) Are not visible from the street; and
  - (g) Do not violate any narrowly tailored regulation established under subsection 4 of this section.
- 4. A political subdivision may establish reasonable regulations on a home-based business if the regulations are narrowly tailored for the purpose of:
  - (1) Protecting the public health and safety, including regulations related to fire and building codes, health and sanitation, transportation or traffic control, solid or hazardous waste, pollution, and noise control; or
  - (2) Ensuring that the business activity is compliant with state and federal law and paying applicable taxes.
- 5. No political subdivision shall require a person, as a condition of operating a home-based business, to:
  - (1) Rezone the property for commercial use;
  - (2) Obtain a home-based business license; or
  - (3) Install or equip fire sprinklers in a single-family detached residential dwelling or any residential dwelling with no more than two dwelling units.
- 6. Whether a regulation complies with this section is a judicial question.

**89.500.** 1. As used in this section, the term "home-based work" means any lawful occupation performed by a resident within a residential home or accessory structure, which is clearly incidental and secondary to the use of the dwelling unit for residential purposes and does not change the residential character of the residential building or adversely affect the character of the surrounding neighborhood.

- 2. A zoning ordinance or regulation adopted pursuant to this chapter that regulates home-based work shall not:
  - (1) Prohibit mail order or telephone sales for home-based work;

P&Z Commission Memorandum Home-Based Businesses 20 July 2022 Page 3

- (2) Prohibit service by appointment within the home or accessory structure;
- (3) Prohibit or require structural modifications to the home or accessory structure;
- (4) Restrict the hours of operation for home-based work; or
- (5) Restrict storage or the use of equipment that does not produce effects outside the home or accessory structure.
- 3. A zoning ordinance or regulation adopted pursuant to this chapter that regulates home-based work shall not contain provisions that explicitly restrict or prohibit a particular occupation.
- 4. The application of this section does not supersede any deed restriction, covenant, or agreement restricting the use of land nor any master deed, by law or other document applicable to a common interest ownership community.

I have attached for the Commissions review and discussion, excerpts from the Twin Oaks' zoning code regulations on Home Occupations with some possible changes to the regulations. In no way, I am saving that this is the only way to regulate but I have tried to incorporate the definitions from the two new laws as well as tried to include the maximum amount of authority over them as possible. There is a lot of gray area when it comes to newly coined phrase "no impact home-based business" and so drafting a compliant ordinance is difficult. Questions left unanswered are whether a city can require a home-based business to get a business license like other businesses in town and to what extent the zoning laws apply as far as variances, etc. For example, §71.990.5(2) says a city cannot require the resident to "obtain a home-based business license." Does this mean no "additional" home-based business license or any business license? And, §71.990.3 prohibits a city from requiring "a person to apply for, register for, or obtain any permit, license, variance, or other type of prior approval from" the city. Does this refer to a business license as well? Also, the use of the word variance here, does that mean a variance for the use or can someone build a massive 5 story addition that goes all the way to the property lines to house their employees and equipment? What about a resident wanting to have a medical marijuana dispensary or restaurant/bar at their house? The law says you cannot require someone to "rezone the property for commercial use" and can have "more than one client on the property at one time" as long as they do "not exceed the occupancy limit" for the home. Just a few things to ponder as you ask yourself why the state legislature would involve itself in such a local issue and, if they must involve themselves, why they can't do it more competently.

Of course, the City can completely roll back its laws on home businesses and have no regulations on home businesses at all.

The new laws become effective on **August 28, 2022**, so we need to try to get the City's laws in compliance sooner than later.

The Contractor shall submit to the City its statement for the aforesaid amount, in such

reasonable detail as the City shall request, within thirty (30) days after such date of termination. The City shall not be liable to the Contractor for any damages on account of such termination for loss of anticipated future profits with respect to the remainder of the Services.

**Subcontracts**. The Contractor shall not subcontract any of the Services to be performed by it hereunder without the express written consent of the City. In addition, this Contract shall not be assigned by the Contractor.

Indemnification. To the fullest extent permitted by law, the Contractor agrees to defend with counsel selected by the City, and indemnify and hold harmless the City, its officers, engineers, representatives, agents and employees from and against any and all liabilities, damages, losses, claims or suits, for or on account of any kind of injury to person, bodily or otherwise, or death, or damage to or destruction of property, or any other circumstances, sustained by the City or others, arising from Contractor's breach of the Contract or out of services and operations performed hereunder by the Contractor, including the City's reliance on or use of the services or products provided by the Contractor under the terms of this agreement. The Contractor shall not be liable for any loss or damage attributable solely to the negligence of the City. To the extent required by law to enforce this provision, Contractor agrees that this indemnification requires Contractor to obtain insurance in amounts specified herein and that Contractor has had the opportunity to recover the costs of such insurance in the Compensation set forth in this Agreement.

**Insurance**. Contractor shall furnish the City the certificates of insurance for workers' compensation, public liability, and property damage, including automobile coverage in the amounts specified by the City in the request for proposals, if any, otherwise in the amounts as acceptable to the City. If no funds are appropriated or otherwise made legally available to make the required payments for this Agreement during the next occurring fiscal year (an "Event of Nonappropriation"), this Agreement will terminate at the end of the then current fiscal year as if terminated expressly. The failure or inability of the City to appropriate funds for this Agreement in any subsequent fiscal year shall not be deemed a breach of this Agreement by any party. If applicable, this Agreement may be annually renewed at each fiscal year by inclusion of specific appropriation for this Agreement, from year to year not to exceed the maximum renewal period or term as set forth in the Agreement.

**Other Contractors**. The City reserves the right to employ other Contractors in connection with the Services.

If the City issued a written request for proposals in connection with the Services or orally asked for a proposal, such request for proposals and the proposal of the Contractor in response thereto are incorporated herein by reference and made a part of this Contract. In case of any conflicts between the terms of the Contractor's proposal and the executed Contractor/Services Contract (including these General Conditions) or the City's request for proposal, the requirements of the City's request for proposal and this executed Contractor/Professional Services Contract shall control and supersede the Contractor's proposal unless a change thereto is specifically stated in this Contract.

**Site Operations**. Where appropriate, the City will arrange for right of entry to any property at the request of the Contractor for the purpose of performing studies, tests and evaluations in connection with the Services.

**Personnel**. The Services shall be performed exclusively by the personnel of the Contractor identified in the Contractor's proposal and no other personnel of the Contractor shall perform any of the Services without the express written approval of the City.

## City Clerk/Administrator's Report

## City of Twin Oaks, Board of Alderman

#### August 12, 2022

## General Updates

#### **Municipal Court**

• The City has received its Prosecutor OIR number from the Missouri State Highway Patrol, and we are in the process of getting the account established at US Bank to receive the deposits from the Municipal Court.

### **Accounting RFP**

 The City received no submissions for its Accounting RFP, which closed on August 8. The RFP was submitted directly to 14 CPA firms. Staff spoke with several firms who declined, main issues seemed to be not having available staff for the work and/or the small size of the City making it not cost-effective for them.

#### Damage to Park Property

 Letters have been sent to the individuals who rented the pavilion on July 23 and July 24, stating the outcome of the City's investigation. For the July 23rd reservation, the City sent a bill for the repair of the sprinkler head. For the July 24th reservation, the alcohol deposit was withheld.

## **Snow/Salting Rates**

- At the Aug. 3 meeting, the Board requested more information on how the City's rates for snow removal and salting compares to other St. Louis County municipalities. Staff requested information from other City Clerk's in the region and received responses from Wildwood, Crystal Lake Park, Green Park and Calverton Park.
- The rates were largely in line with what the City pays, \$125-\$150 per hour. Calverton Park had a lower rate, but the contract is with the City's police chief, who also has a landscaping business.

#### Valley Park School Board

• The letter expressing the City's concern over the potential changes to the bus routes was mailed on Aug. 8 to the school board president, the superintendent and the principals for the middle and high schools.

### **Project Updates**

#### **Boly Lane Centerline**

 Staff is meeting with Topps Paving to discuss a short-term crack seal or patch for the centerline on Boly Lane.

#### Park Fence Replacement

This project is scheduled for construction beginning on Aug. 16 and is estimated that it
will take three days to complete. A written notice has been mailed to the residents whose

properties border the park and a general notice has been published through email/Facebook.

#### Crescent Ave. Sidewalk

• The City expects to receive the preliminary easement exhibits on Tuesday, Aug. 16, for discussion at the Aug. 17 meeting. Following this, the Board will hold a closed session with ORC at the Sept. 7 meeting to discuss and approve the ROW offer.

#### Citywide Curb Replacement and Boly Entrance Replacement

• The post of the RFPs for both projects has been pushed back to Aug. 16 but this does not impact the timing for Board approval at the Sept. 21 meeting, with the selected contractor notified Sept. 22.

## Park Bridge Inspection

• The inspection of the wooden pond bridge in Twin Oaks Park was performed on Aug. 4. Staff expects to have the report in the next 1-2 weeks.
