NEW BUSINESS

Bill No. 22-23: An Ordinance Amending Twin Oaks Municipal Code Section 210.720 Relating to Obstruction Public Places. City Clerk/Administrator Johnson read the Bill. City Attorney, Paul Roast explained that the proposed changes stem from a lawsuit between University City, the Loop and street musicians. The lawsuit stated that business were made inaccessible due to the street musicians playing on the sidewalks and blocking the store fronts. The Court ruled that the University City's ordinance wasn't clear on what constitutes an obstruction. This amended ordinance will clarify similar language in the Twin Oaks municipal code. Mayor Fortune asked for any questions regarding Bill No. 22-23. Alderman Milne asked if this ordinance would apply to protests. Mr. Roast responded that it could potentially apply in those circumstances. Mayor Fortune requested that City Clerk/Administrator Johnson read the bill a second time. Alderman Whitmore motioned to approve Bill No. 22-23, seconded by Alderman Milne. The motion passed on a roll call vote as follows: Alderman Milne-yea, Alderman Whitmore-yea, Alderman Eisenhauer-yea, and Alderman Stoeckl-absent. Mayor Fortune stated that Bill No 22-23 being duly passed; becomes Ordinance No 22-23.

Resolution No. 2022-23: A Resolution of the Twin Oaks Board of Aldermen Approving an Agreement with Crowder Construction, Inc., for the Removal and Replacement of Sidewalk Located at the Intersection of Big Bend Road and Highway 141. City Clerk/Administrator Johnson read the resolution. City Clerk/Administrator Johnson stated that this issue was brought to the Boards attention at the previous meeting. There is a section of sidewalk that has become a trip hazard. This section is located on the off ramp onto Big Bend Rd from Highway 141 and is the City of Twin Oaks responsibility to maintain. Mayor Fortune asked for any questions regarding Resolution No. 2022-23. Mayor Fortune asked for a second reading. Alderman Eisenhauer motioned to approve Resolution No. 2022-23, seconded by Alderman Whitmore, and the motion passed by a voice vote of three yeas and one absent.

DISCUSSION ITEMS

There were no Discussion Items on the agenda for this meeting.

ATTORNEY'S REPORT

There was no attorney's report at this time.

CITY CLERK'S REPORT

City Clerk/Administrator Johnson referred the Board to his written report and provided a summary of its contents. He stated that an issue with the permit approval from the West County Fire District for the Ace Hardware development had caused the renovation work to be temporarily halted, but it is close to being resolved. Mayor Fortune thanked City Clerk/Administrator Johnson for his efforts in working with both parties to get the problem addressed. He also reported that the City is still waiting on the state agency that oversees court administration to issue a location code for the Twin Oaks Municipal Court.

MAYOR & ALDERMEN COMMENTS

Mayor Fortune spoke about his recent trip to Canada and thanked the Board for their hard work on the Capital Budget. Mayor Fortune requested the Board consider replacing the existing gate on the service road in the park with a motorized gate. Mayor Fortune noted that the Park staff spend a lot of time opening and closing that gate and thought that an automatic gate would be well received. Following a discussion the Board instructed City Clerk/Administrator Johnson to gather cost for motorized gates and electrical installation for the Board to consider.

Alderman Whitmore mentioned that the urinal in the men's restroom in the Twin Oaks Park was continually running and needs attention to fix the issue. Alderman Whitmore stated that the Autumn Leaf gate isn't closing automatically. Alderman Whitmore asked that Chesterfield Fence Co. be contacted to realign the gate so that it will close. There is a trip hazard on the path around the upper pond that needs to be evaluated. City Clerk/Administrator Johnson will have the Park staff assess this hazard.

Alderman Eisenhauer spoke about Family Fun Day and thanked everyone for their hard work. The event was well attended and everyone had a wonderful time. Alderman Eisenhauer mentioned that the venders that were contracted for the bungee jump and bounce houses were wonderful. Having a staff that set up and stayed at the event made everything run smoother than in previous years. City Clerk/Administrator Johnson added that the company, Game World Event Services, were easy to work with from the administrative point of view.

Alderman Milne mentioned that she likes the look of the fence pickets used to block the bridge in the Park. Alderman Milne stated that she has heard from a number of people that like the Autumn Leaf gate being open and suggested that the gate only be used at times to close the Park. Following a discussion the Board is asking the Park Committee to make the determination on if the gate should be open or closed.

FINAL CITIZEN COMMENTS

There were no final citizen comments.

ADJOURNMENT

There being no further business Mayor Fortune asked for a motion to adjourn the meeting. Alderman Eisenhauer so motioned, seconded by Alderman Milne and the regular meeting was adjourned at 7:24 pm.

IMPORTANT INFORMATION

Finance Charge Calculation Methods and Computation of Average Daily Balance Subject to Finance Charge: The Finance Charge Calculation Method applicable to your account for Cash Advances and Credit Purchases of goods and services that you obtain through the use of your card is specified on the front side of this statement and explained below:

Method A - Average Daily Balance (including current transactions): The Finance Charge on purchases begins on the date the transaction posted to your account. The Finance Charge on Cash Advances begins on the date you obtained the cash advance, or the first day of the billing cycle within which it is posted to your account, whichever is later. There is no grace period.

The Finance Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of your account. To get the average daily balance, we take the beginning balance of your account each day, add any new purchases or cash advances, and subtract any payments, credits, non-accruing fees, and unpaid finance charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Method E - Average Daily Balance (excluding current transactions): To avoid incurring an additional Finance Charge on the balance of purchases (and cash advances if Method E is specified as applicable to cash advances) reflected on your monthly statement, you must pay the New Balance shown on your monthly statement on or before the Payment Due Date. The grace period for the New Balance of purchases extends to the Payment Due Date.

The Finance Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of purchases (and if applicable, cash advances). To get the average daily balance, we take the beginning balance of your account each day and subtract any payments, credits, non-accruing fees, and unpaid finance charges. We do not add in any new purchases or cash advances. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Method G - Average Daily Balance (including current transactions): To avoid incurring an additional Finance Charge on the balance of purchases (and cash advances, if Method G is specified as applicable to cash advances) reflected on your monthly statement and, on any new purchases (and if applicable, cash advances) appearing on your next monthly statement, you must pay the New Balance, shown on your monthly statement, on or before the Payment Due Date. The grace period for the New Balance of purchases extends to the Payment Due Date.

The Finance Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of purchases (and if applicable, cash advances). To get the average daily balance, we take the beginning balance of your account each day, add any new purchases or cash advances, and subtract any payments, credits, non-accruing fees, and unpaid finance charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Payment Crediting and Credit Balance: Payments received at the location specified on the front of the statement after the phrase "MAKE CHECK PAYABLE will be credited to the account specified on the payment coupon as of the date of receipt. Payments received at a different location or payments that do not conform to the requirements set forth on or with the periodic statement (e.g. missing payment stub, payment envelope other than as provided with your statement, multiple checks or multiple coupons in the same envelope) may be subject to delay in crediting, but shall be credited within five days of receipt. If there is a credit balance due on your account, you may request in writing, a full refund. Submit your request to the Account Inquiries address on the front of this statement.

By sending your check, you are authorizing the use of the information on your check to make a one-time electronic debit from the account on which the check is drawn. This electronic debit, which may be posted to your account as early as the date your check is received, will be only for the amount of your check. The original check will be destroyed and we will retain the image in our records. If you have questions please call the customer service number on the front of this billing statement.

Closing Date: The closing date is the last day of the billing cycle; all transactions received after the closing date will appear on your next statement.

Annual Fee: If your account has been assessed an annual fee, you may avoid paying this annual fee by sending written notification of termination within 30 days following the mailing date of this bill. Submit your request to the Account Inquiries address on the front of this statement. You may use your card(s) during this 30 day period but immediately thereafter must send your card(s), which you have cut in half, to this same address.

Negative Credit Reports: You are hereby notified that a negative credit report reflecting on your credit record may be submitted to a credit reporting agency if you fail to fulfill the terms of your credit obligations.

BILLING RIGHTS SUMMARY

GENERAL CONDITIONS

CITY OF TWIN OAKS, MISSOURI CONTRACTOR SERVICES AGREEMENT

Independent Contractor. The Contractor shall be and operate as an independent contractor in the performance of this Contract. The Contractor shall have complete charge of the personnel engaged in the performance of the Work, and all persons employed by the Contractor shall be employees of said Contractor and not employees of the City in any respect.

Compliance with Laws. The Contractor shall comply with all applicable City ordinances and other laws and regulations, Federal, State, and any political subdivision thereof, including but not limited to, unemployment and workers' compensation, occupational safety, equal employment and affirmative action and wage and price laws insofar as applicable to the performance of the Contract. Specifically, Contractor shall comply with the following state law requirements:

• Proof of Lawful Presence. Section 208.009 RSMo., requires that all applicants at the time of application for any contract provided by a local government provide "affirmative proof that the applicant is a citizen or a permanent resident of the United States or is lawfully present in the United States." Contractor's affirmative proof must be established through (i) a Missouri driver's license, (ii) any "documentary evidence recognized by the department of revenue when processing an application for a driver's license," or (iii) "any document issued by the federal government that confirms an alien's lawful presence in the United States." §208.009.3.

Subcontracts. The Contractor shall not subcontract any of the Work to be performed by it hereunder without the express written consent of the City. In addition, this Contract shall not be assigned by the Contractor.

Indemnification. To the fullest extent permitted by law, the Contractor agrees to defend with counsel selected by the City, and indemnify and hold harmless the City, its officers, engineers, representatives, agents and employees from and against any and all liabilities, damages, losses, claims or suits, including costs and attorneys' fees, for or on account of any kind of injury to person, bodily or otherwise, or death, or damage to or destruction of property, or any other circumstances, sustained by the City or others, arising from Contractor's breach of the Contract or out of services and operations performed hereunder by the Contractor, including the City's reliance on or use of the services or products provided by the Contractor under the terms of this agreement. The Contractor shall not be liable for any loss or damage attributable solely to the negligence of the City. To the extent required by law to enforce this provision, Contractor agrees that this indemnification requires Contractor to obtain insurance in amounts specified herein and that Contractor has had the opportunity to recover the costs of such insurance in the Compensation set forth in this Agreement.

Insurance. Contractor shall furnish the City the certificates of insurance for workers' compensation, public liability, and property damage, including automobile coverage in the amounts specified by the City in the request for proposals, if any, otherwise in the amounts stated on **Exhibit B**, but unless otherwise provided shall be no less than the maximum amounts of liability set forth in Chapter 537.610 RSMo., applicable to political subdivisions. The policies of insurance shall be in such form and shall be issued by such company or companies as may be satisfactory to the City. The City, and such additional persons and entities as may be deemed to have an exposure to liability as a result of the performance of the Contractor's work, as determined by the City, shall be named as additional insured and the applicable insurer shall owe the City a duty of defense on all insurance policies required hereunder. The Contractor shall provide an Additional Insured Endorsement to the City that shall be approved by the City prior to commencement of any Work.

In addition to the foregoing, the Contractor shall maintain Professional Liability "errors and omissions" insurance in the form for the coverages satisfactory to City as indicated in the request for proposals, if any, otherwise as stated on attached **Exhibit B**, if any, but in no event less than the maximum amounts of liability set forth in Chapter 537.610 RSMo. applicable to political subdivisions. The City and Contractor waive all rights against each other for damages caused by fire or other perils to the extent covered by Builder's Risk or any other property insurance, except such rights as they may have to the proceeds of such insurance; provided that nothing herein shall be deemed a waiver of the City's sovereign immunity relative to any claim against the City.

Nondisclosure. The Contractor agrees that it will not divulge to third parties without the written consent of the City any information obtained from or through the City in connection with the performance of this Contract. Nothing herein shall preclude disclosure of information by the City.

Changes. No change in this Contract shall be made except in writing prior to the change in the Work or terms being performed. The Contractor shall make any and all changes in the Work without invalidating this Contract when specifically ordered to do so in writing by the City. The Contractor, prior to the commencement of such changed or revised Work, shall submit promptly to the City, a written cost or credit proposal for such revised Work. If the City and Contractor shall not be able to agree as to the amount, either in consideration of time or money to be allowed or deducted, it shall nevertheless be the duty of Contractor, upon written notice from the City, to immediately proceed with such alteration or change, and Contractor shall be compensated the reasonable value of such Work. No Work or change shall be undertaken or compensated for without prior written authorization from the City.

Termination. The City shall have the right to terminate the Contract at any time for any reason by giving the Contractor written notice to such effect. The City shall pay to the Contractor in full satisfaction and discharge of all amounts owing to the Contractor under the Contract an amount equal to the cost of all Work performed by the Contractor up to such termination date, less all amounts previously paid to the Contractor on account of the

Contract Price. The Contractor shall submit to the City its statement for the aforesaid amount, in such reasonable detail as the City shall request, within thirty (30) days after such date of termination. The City shall not be liable to the Contractor for any damages on account of such termination for loss of anticipated future profits with respect to the remainder of the Work.

Multi-year contracts; Non-appropriation. Notwithstanding any provision herein to the contrary, the City is obligated only to make the payments set forth in the attached Contract as may lawfully be made from funds budgeted and appropriated for that purpose during the City's then current fiscal year at the discretion of the City. If no funds are appropriated or otherwise made legally available to make the required payments for this Agreement during the next occurring fiscal year (an "Event of Nonappropriation"), this Agreement will terminate at the end of the then current fiscal year as if terminated expressly. The failure or inability of the City to appropriate funds for this Agreement in any subsequent fiscal year shall not be deemed a breach of this Agreement by any party. If applicable, this Agreement may be annually renewed at each fiscal year by inclusion of specific appropriation for this Agreement, from year to year not to exceed the maximum renewal period or term as set forth in the Agreement.

Accounting. During the period of this Contract, the Contractor shall maintain books of accounts of its expenses and charges in connection with this Contract in accordance with generally accepted accounting principles and practices. The City shall at reasonable times have access to these books and accounts to the extent required to verify all invoices submitted hereunder by the Contractor.

Correction Period. Contractor hereby expressly guarantees the aforesaid Work as to workmanship and quality of materials used in connection herewith for a term of one (1) year, commencing on the date of final acceptance by the City, and binds itself, its successors or assigns, to make all repairs or replacements which may become necessary within said period due to construction defects and nonconformity with the City specifications or contract. The Contractor warrants to the City that all materials and equipment furnished under the Contract and incorporated in the Work will be new unless otherwise specified, and that all Work will be of good quality, free from faults and defects and in conformance with the Contract. The Contractor's general warranty and any additional or special warranties are not limited by the Contractor's obligations to specifically correct defective or nonconforming Work a set forth herein, nor are they limited by any other remedies provided in the Contract.

To: Frank Johnson <fjohnson@cityoftwinoaks.com>, James Oetken <jude@jandmdisplays.com>

Frank,

Per the City of Twin Oaks request I have sent a proposal for next year. Our pricing has not gone down, in fact there has been some increases from some of our suppliers. We are willing to work with the city again on pricing. I have sent the same proposal as we did this year. If the City of Twin Oaks is willing to increase the budget to \$30,000 we are willing to give the \$6,600 in free for advertising fireworks again. I hope we can come up with an agreement. We have been working with the Clty of Twin Oaks for a long time. Please let me know if you have any questions.

Kind Regards Kevin

City of Twin Oaks, Missouri SECOND AMENDMENT TO SERVICES CONTRACT - FIREWORKS DISPLAY -

THIS SECOND AMENDMENT TO THE SERVICES AGREEMENT, made and effective as of April 13, 2022, by and between the City of Twin Oaks ("City"), and J&M Displays, Inc., ("J&M" or "Contractor") (the "Second Amended Contract") is entered by the parties under the terms stated herein.

WHEREAS, after seeking bids for technical and cost proposals from qualified bidders for aerial firework display services on October 28, 2019, for an initial term of one-year, with options to renew for two additional years for the City's annual Independence Day celebration, the City contracted with J&M to provide the fireworks display on July 3, 2020, at a cost of \$26,000 and which included an option for two additional years at the same level of display and price; and,

WHEREAS, the Services Contract, dated December 6, 2019, was approved by the Board of Aldermen by Resolution 2019-24 (the "Contract"); and,

WHEREAS, after the City paid \$26,000 for the 2020 fireworks display but before J&M could perform the initial term of the Contract, the various states of emergencies, stay-at-home orders, social distancing requirements resulting from the COVID-19 pandemic caused the cancellation of the 2020 fireworks display;

WHEREAS, on June 19, 2020, the Parties executed the First Amendment to Services Contract ("First Amended Contract" approved by approved by the Board of Aldermen by Resolution 2019-24) postponing the 2020 fireworks display until 2021 and extending the two (2) option years to 2022 and 2023 for the same show at the same price of \$26,000 per show for each option year; and,

WHEREAS, J&M now has requested that the Parties reform the contract to increase the price of the fireworks display because of circumstances purportedly related to supply and other issues that have increased Contractor's costs for fulfilling the terms of the agreement; and,

WHEREAS, the Parties wish to amend the Contract to reflect a one-time price increase for the 2022 option, but with the 2023 show remaining at the \$26,000 price; and,

NOW, THEREFORE, in consideration of the mutual promises, covenants, and agreements set forth in the this Second Amended Contract, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree that the Contract is amended as follows:

Amendment 1. Subsection B (Option Years) of Section III, Compensation, of the First Amended Contract is amended to replace Subsection B in its entirety so that it now reads as follows:

III. COMPENSATION

* * *

B. Option Years.

- (1) For option year 2022 only, the City agrees to pay the Contractor a total of \$30,000 as full compensation for the complete and satisfactory performance of the contract and the specific display set forth in Exhibit A ("Services"), and all expenses and costs related thereto, as follows:
 - \$5,000 City's deposit due upon execution of the Agreement
 - \$25,000 Due upon satisfactory completion of the Services (Exhibit A) by the Contractor
- (2) For option year 2023, the fireworks display shall be the same as the 2021 and 2022 displays and the price shall remain \$26,000 as set forth in the bid proposal. The display shall be on July 3, 2023, or such other date and alternate display date set may be set by the City at the time of exercising the option.

Contractor shall provide the City with its proposal for the 2023 display by November 1, 2022. Upon receiving Contractor's proposal, should the City decide to exercise its option, it will use the form of letter attached as Attachment 1 and incorporated herein by reference.

Amendment 2. Section V is amended to read as follows:

I & M DISDLAVS INC

V. CONTRACT SCHEDULE - 2022

The display will occur on July 3, 2022, at approximately 9 p.m. In the event that weather conditions result in a cancellation of the display, the display will occur on July 9, 2022. If the display is not able to occur on July 3 or July 9, 2022, for any reason, the Parties shall come to a mutually agreeable date that is within one (1) year of July 4, 2022. The terms of the General Conditions notwithstanding, should the City cancel the fireworks display less than 30 days prior to the fireworks display date, the City shall pay Contractor an amount equal to 50% of the Compensation agreed to herein; if the cancellation is more than 30 days prior to the display date, the City shall be entitled to a full refund of the deposit less any actual cost incurred by the Contractor for purchasing fireworks for the display, not to exceed the deposit amount. This shall be Contractor's sole remedy for the City's cancellation of this contract. If the City exercises one or more of its options, the above schedule shall apply for the option year.

This contract shall be complete upon satisfactory performance by both parties. Nothing herein shall limit the application of the indemnification provision after performance of the Fireworks Display Services.

City Clerk/Administrator's Report

City of Twin Oaks, Board of Alderman

Oct. 14, 2022

General Updates

Municipal Court

 City staff contacted OSCA for more information about the delay in getting the location code assigned. We were informed that they were waiting for information on the City's court fees and bank accounts, and that was the source of the delay. Staff provided the requested information to OSCA on 10/12.

Park Maintenance Issues

- Maintenance staff is aware of the issue with the urinal in the men's bathroom in the Park. We have had difficulty getting a plumber to respond, but we should finally have someone out next week. The flow has been reduced to a minimal amount in the meantime.
- The trip hazard reported on the pond path has been an existing issue for several years.
 Fix will likely occur next spring due to colder weather soon shutting down any asphalt work.

Project Updates

Curb Repair Project

- Held a pre-construction meeting with BFA and Byrne & Jones on 10/7 to review the project and do visual inspection of work sites. They anticipate doing the work in November, final date TBD.
- The work will require the driveways to be closed for up to a week for several homes in the condos and on Golden Oak Court. Residents will be notified in advanced.

Crescent Ave. Sidewalk

See the attached status report from BFA for details.

Park Bridge Repair/Replacement

- Staff has reached out to potential contractors recommended by TWM to gauge interest in the project in mid-September, but did not receive responses.
- We subsequently reached out to LandCare, the contractor doing the creek pond
 investigation, and they will be examining the bridge to provide feedback on the feasibility
 of the repair and replacement options and cost estimates we have received.

Creek Pond in Twin Oaks Park

 The City is having landscaping contractor LandCare come out next month to investigate a potential issue with one of the ponds near the stone bridge not properly retaining water.
