FOR COMMUNICATIONS FACILITIES**

THIS RIGHTS-OF-WAY USE AGREEMENT FOR COMMUNICATIONS FACILITIES ("Agreement") is made and entered into as of the Effective Date (as defined in Section 11.1), by and between, **EVERSTREAM SOLUTIONS LLC**, an Ohio Limited Liability Company (the "Licensee") that is registered to do business in the State of Missouri, and the **City of Twin Oaks, Missouri**, a municipality of the State of Missouri (the "City"). Licensee and City may sometimes be referred to in this Agreement individually as a "Party" or collectively as the "Parties."

WHEREAS, Licensee has requested consent from the City to authorize its use of the City's Rights-of-Way to construct, install, maintain, and operate facilities for communications or related capabilities; and

WHEREAS, Missouri law provides conditions relating to the City's consent to, and authorizes the City to regulate the use and occupancy of its Rights-of-Way ("Rights-of-Way" or "ROW") for placement of various communications facilities; and

WHEREAS, the City is authorized to and has established standards for occupancy of the Rights-of-Way by communications facilities and other uses that are consistent with and recognize the Public Service Commission's duties and jurisdiction; and

WHEREAS, the City and Licensee desire to enter into this Agreement, to establish the terms of Licensee's use of the Rights-of-Way, and to incorporate the provisions and definitions of the ROW Code (as defined in Section 1.2); and

NOW, THEREFORE, in consideration of the mutual promises and covenants contained in this Agreement, the Parties agree as follows:

SECTION 1. GENERAL

1.1 Preservation of Police Power Authority. Any rights granted to Licensee pursuant to this Agreement are subject to the authority of the City to adopt and enforce ordinances necessary to the health, safety, and welfare of the public.

1.2 Defined Terms. For purposes of this Agreement, the capitalized terms shall have the meanings as set forth herein and in the Code of Ordinances of the City, including specifically Chapter 515, and as may be amended (the "Code" or "ROW Code"). Words used in the present tense include the future tense, words in the single number include the plural number, and words in the plural number include the singular. The words "shall" and "will" are mandatory, and "may" is permissive. Words not defined shall be given their common and ordinary meaning. The following additional capitalized terms shall also apply to this Agreement:

A. **"Communications"** The transmission via the Facilities, in whole or in part, between or among points specified by the user, of information of the user's choosing (e.g.,

data, video, voice), without change in the form or content of the information as sent and received, regardless of the statutory or regulatory scheme to which such transmissions may be subject.

B. **“Communications Service”** The transmission of writing, signs, signals, pictures, sounds, or other forms of intelligence through wire, wireless, or other means, including, but not limited to, any “telecommunications service,” “enhanced service,” “information service,” or “Internet Service,” as such terms are now, or may in the future, be defined under applicable law, and including all instrumentalities, Facilities, apparatus (Communications Facilities), and services (among other things, the receipt, forwarding, and delivery of Telecommunications) incidental to such transmission or designed to directly or indirectly facilitate or accept such transmission and shall also include “video services” as defined in § 67.2677 RSMo. The term “Communications Service” does not include the rental of conduit or physical facilities, which if proposed must be expressly and separately approved in Exhibit A below or sought directly by such third party from City. Any party seeking to provide cable television, video services, or use wireless communication facilities shall be subject to additional and separate requirements, limitations, and/or approvals of federal, state, and local law and shall have on file with the City such authorization to provide such services prior to commencement.

1.3 Agreement Subject to Provisions of ROW Code. This Agreement fully incorporates the provisions of the ROW Code as if fully set forth herein, and Licensee agrees as a part of this Agreement to abide by the provisions of the ROW Code and other applicable ordinances and law of the City as a ROW User, and to be subject to the enforcement by the City as provided therein and in this Agreement as a material term herein. This Agreement may establish Licensee obligations that are supplementary to the ROW Code, but nothing in this Agreement shall be deemed to waive any obligation or requirement applicable to Licensee authorized or established by the ROW Code. The consent to use the Rights-of-Way authorized by this Agreement is subject to the continuing accuracy during the term of this Agreement of the application information provided by and maintained by Licensee for this authorization as provided to and on file with the City.

SECTION 2. GRANT OF AUTHORITY TO USE THE RIGHTS-OF-WAY

2.1 Agreements Non-Exclusive. This Agreement shall grant nonexclusive privileges to use the Rights-of-Way. The City specifically reserves the right to grant, at any time, such additional agreements or other rights to use the Rights-of-Way for any purpose and to any other person, including itself, as it deems appropriate, subject to applicable federal and state law. Nothing in this Agreement shall relieve Licensee from its obligations to apply for and obtain all necessary permits for installation of its Facilities including excavation, building, electrical, zoning, etc. before installation of its Facilities within the ROW.

2.2 Nature of Rights Granted by this Agreement. This Agreement shall not convey title to Licensee, equitable or legal, in the Rights-of-Way and gives only the right to occupy the City’s Rights-of-Way for the purposes and for the period stated in this Agreement and subject to the requirements of this Agreement. This Agreement also shall not grant the right

to use Facilities owned or controlled by the City or a third-party, without the separate consent of the City or such third-party owning or controlling the Facilities, nor shall it excuse Licensee from obtaining appropriate access or pole attachment agreements before locating on Facilities controlled or owned by the City or a third-party.

2.3 Grant. Subject to the terms and conditions of this Agreement, the ROW Code, and the conditions set forth on Exhibit A attached hereto and incorporated by reference into this Agreement, Licensee is hereby granted the nonexclusive right and privilege to construct, operate, and maintain Facilities in, through, over, above, and along the City's Rights-of-Way for the purposes of supplying **Communications Service** within the City. Licensee agrees that this Rights-of-Way Use Agreement shall supersede any existing franchise or other rights-of-way use agreement, between the Licensee and the City, if any. As a condition of this grant, Licensee is required to obtain and maintain any permit, license, certification, grant, registration, or any other authorization lawfully required by any appropriate governmental entity, including, but not limited to, the City, the Federal Communications Commission, or the Missouri Public Service Commission. Licensee shall not have the right to install wireless antennae or antennae support structures in the ROW pursuant to this Agreement, nor provide services not authorized herein, except as provided in Exhibit A, or such subsequent amendment as may be approved thereto. The size, location, and specifications of the underground and above-ground Facilities are subject to prior City approval and consent. In the event that the use of the Rights-of-Way is proposed to change or Licensee desires to provide services other than as described herein, Licensee shall be required to seek amendment hereto prior to commencing such service or changed use.

2.4 Use of Rights-of-Way; Police Powers; Licensee's Use Subordinate. The Licensee shall construct and maintain its Facilities in accordance with all applicable federal, state, and local laws, codes, and ordinances, including all permit requirements, and fee payments, in effect as of the Effective Date or adopted after the Effective Date, to the extent such are not in contravention of applicable law. The City makes no express or implied representation or warranty regarding its rights to authorize the installation or construction of Licensee's Facilities on any particular segment of Rights-of-Way. The burden and responsibility for making all such determinations in advance of construction or installation shall be entirely upon Licensee. The use of the Rights-of-Way authorized by this Agreement shall in all matters be subordinate to the City's use of and rights to the same and Licensee shall be limited to such uses as have been expressly granted to Licensee by the City. Licensee shall excavate in or install Facilities in the Rights-of-Way in locations and in a manner only as authorized by a permit granted by the City. Licensee shall further be subject to the City's exercise of its powers, including but not limited to its administration and regulation related to the management of the Rights-of-Way exercised in a competitively neutral and non-discriminatory reasonable manner.

2.5 No Interference. Licensee shall construct and maintain its Facilities to be so located, constructed, and maintained as to avoid interference with the proper use of all Rights-of-Ways and so as not to materially or without authority interfere with other users of the Rights-of-Way. Except as may otherwise be provided, the Licensee shall reasonably notify all residents and properties materially affected by the proposed work prior to commencement of such work. All construction and maintenance by Licensee or its subcontractors shall be performed in accordance

with generally accepted industry standards and all standard specifications, drawings, and procedures required or approved by the City.

2.6 Notification, Joint Installation, and Collocation Requirements. Licensee shall, prior to any excavation or installation within the Rights-of-Way, provide sufficient notification and joint installation opportunity on a shared-cost basis to potential users of the Rights-of-Way under such generally applicable written policy or direction as may be established by the City. Licensee shall further make its installed Facilities available to other licensees on a nondiscriminatory competitively neutral basis as may be required by federal law codified at 47 U.S.C. § 224.

2.7 Licensee Responsible for Costs. The Licensee shall be responsible for all reasonable, lawfully reimbursable, documented costs incurred by the City that are directly associated with its installation, maintenance, repair, operation, use, and replacement of its Facilities within the Rights-of-Way, that are not otherwise accounted for as part of the permit fee established pursuant to the ROW Code and not contrary to any applicable requirements of Sections 67.1830 to 67.1846 RSMo. All such costs shall be itemized, and the City's books and records related to these costs shall be made available upon request to the Licensee. Licensee shall be responsible for its own costs incurred removing or relocating its Facilities when required to do so by the City due to the City requirements relating to maintenance and use of the Rights-of-Way as set forth in Section 7.6, below. The Licensee shall be subject to pay the City reasonable compensation for use of the Rights-of-Way where such a fee is not contrary to applicable law and where established by the City Council.

SECTION 3. TERM

3.1 Term. This Agreement shall be effective for a term of ten (10) years from the Effective Date, and shall continue from year to year thereafter, unless terminated by either party with ninety (90) days prior written notice to the other of an intent to terminate this Agreement following the Initial Term, provided in no circumstance shall this Agreement be effective for longer than twenty (20) years and subject to earlier termination or forfeiture as provided for elsewhere in this Agreement.

SECTION 4. TAXES

4.1 Taxes. The Licensee agrees to pay all legally applicable taxes including license taxes, business taxes, utility taxes, video services provider fees, and other applicable taxes of the City and failure to pay such taxes shall be considered a breach of this Agreement. Nothing in this Agreement is intended to alter, amend, modify, or expand the taxes that may be lawfully assessed on Licensee's business activities under applicable law. Licensee shall be subject to audit and shall itemize by category of service the amount received and taxes paid for services provided by Facilities in the Rights-of-Way. Such taxes shall be in addition to compensation, if any, required by the City by ordinance or otherwise subject to any limitations herein and of applicable state or federal law.

SECTION 5. TRANSFER OF AGREEMENT OR FACILITIES

5.1 Transfer of Agreement. Unless otherwise prohibited by law, Licensee shall not sell, transfer, lease, or assign this Agreement or its rights under this Agreement, in whole or in part, without obtaining the City's prior consent, which consent will not be unreasonably withheld, conditioned, or delayed. Notwithstanding the foregoing sentence, Licensee may sell, transfer, lease, or assign this Agreement or its rights under this Agreement, in whole or in part, with prior thirty (30) days' written notice to the City if to: (a) any entity controlling, controlled by, or under common control with Licensee; (b) any surviving successor entity or newly created successor entity in the event of a merger, reorganization, or consolidation involving Licensee. The City reserves the right to be reimbursed for its reasonable costs relating to a transfer of ownership or this Agreement. Licensee shall not change its name under which it does business with the public without providing at least thirty (30) days' prior written notice to the City.

5.2 Agreement Binding. In the event of a sale, transfer, assignment, or any other transaction Licensee may enter into that involves transfer of Licensee's rights, duties, and/or privileges under this Agreement, all provisions of this Agreement that are obligatory upon, or that inure to the benefit of Licensee, shall also be obligatory upon and shall inure to the benefit of any and all successors and assigns of Licensee. Further, all obligations, duties, liabilities, limitations, prohibitions, amendments, and forfeitures by this Agreement created or imposed upon Licensee shall be binding upon and be assumed, kept, and performed by its legal and bona fide assigns and successors in interest, according to the true intent and purpose of this Agreement, whether expressly so stated or not.

5.3 Sale or Lease of Facilities. Except as otherwise may be provided by law, Licensee shall not lease, sell, sublet, or otherwise transfer possession or control or use of the Facilities, or any portion thereof, for any purpose to any person that has not obtained a duly issued Agreement, or other grant by the City to use the Rights-of-Way and which includes the authority to use or maintain such leased or transferred Facilities. Notwithstanding the foregoing, Licensee may use and maintain Licensee's installed Facilities for the benefit of its customers of its Communications Services provided that any such customer shall have no right of physical access to the Facilities in the ROW without a separate agreement with the City.

SECTION 6. FORFEITURE OF LICENSE AND PRIVILEGE.

6.1 Forfeiture. In case of material failure on the part of the Licensee, its successors and assigns, to comply with any of the provisions of this Agreement, including the provisions of the Code of Ordinances, or if the Licensee, its successors and assigns, should do or cause to be done any act or thing prohibited by or in violation of the terms of this Agreement, including the provisions of the Code, or if the Licensee loses authority to provide its Communication Services or do business within the City under applicable law, or if the Licensee, its successors and assigns, shall forfeit all rights and privileges permitted herein, and all rights hereunder shall cease, terminate, and become null and void, provided that said forfeiture shall not take effect until the City shall carry out the following proceedings: Before the City proceeds to forfeit this Agreement, it shall first serve a written notice upon the Licensee, setting forth in detail the

neglect or failure complained of, and the Licensee shall have thirty (30) days thereafter in which to cure the default by complying with the conditions of this Agreement. If at the end of such thirty (30) day period the City determines that the conditions have not been complied with, unless said material default could not have been cured within said thirty (30) day period by Licensee exercising reasonable diligence and Licensee is exercising diligence to cure said default, the City shall take action by an affirmative vote of the Board of Aldermen present at the meeting and voting, at which Licensee may appear and be heard, to terminate the Agreement; setting out the grounds upon which said Agreement is to be canceled or terminated. Nothing herein shall prevent the City from taking any other action or remedy as may be set forth in the City's Code of Ordinances or as may otherwise exist at law. All remedies described in this Section are cumulative and in addition to any other rights and remedies to which City may be entitled at law, in equity or under this Agreement.

SECTION 7. GENERAL CONDITIONS

7.1 Compliance With Laws. In performing activities and exercising its rights and obligations under this Agreement, the Licensee shall comply with all applicable federal, state, and local laws, ordinances, regulations, and policies, including, but not limited to, all laws, ordinances, zoning, and other regulations and policies relating to construction, bonding, insurance, and use of public property.

7.2 Insurance. In additional to the requirements of Section 515.110.G of the City Code, except as may be prohibited by law, Licensee shall provide, at its sole expense, and maintain during the term of this Agreement commercial general liability insurance with a reputable, qualified, and financially sound company licensed to do business in the State of Missouri, and unless otherwise approved by the City, with a rating by Best of not less than "A," that shall protect the Licensee, the City, and the City's officials, officers, and employees from claims which may arise from operations under this Agreement, whether such operations are by the Licensee, its officers, directors, employees and agents, or any subcontractors of Licensee. This liability insurance shall include, but shall not be limited to, protection against claims arising from bodily and personal injury and damage to property, resulting from all Licensee operations, products, services or use of automobiles, or construction equipment. The amount of insurance for Single Limit Coverage applying to Bodily and Personal Injury and Property Damage shall be at least \$3,065,952.00, but in no event less than the individual and combined sovereign immunity limits established by § 537.610 RSMo., or its successor, for political subdivisions; provided that nothing herein shall be deemed to waive the City's sovereign immunity. An endorsement shall be provided which states that the City is named as an additional insured with full and equivalent coverage as the insured under the insured's policy and stating that the policy shall not be cancelled or materially modified so as to be out of compliance with the requirements of this Section, or not renewed without thirty (30) days' advance written notice of such event being given to the City Administrator. The City's additional insured coverage shall have no deductible. **The insurance requirements in this Section or otherwise shall not apply to Licensee to the extent and for such period during this Agreement as Licensee is exempted from such requirements pursuant to § 67.1830(6)(a) RSMo. and has on file with the City Clerk an affidavit certifying that Licensee has twenty-five million dollars in net assets and the facts otherwise establishing that Licensee is therefore so exempted and provided that this**

exemption shall not apply if Licensee uses or obtains the right to use any City poles or other facilities.

7.3 Construction Guarantee and Maintenance. Licensee agrees that it shall be responsible to guarantee for a period of four years the restoration of the Rights-of-Way in the area where such Licensee conducted excavation and performed the restoration minimally as required by § 67.1834 RSMo. A bond, letter of credit, or other surety (collectively "Surety") in the form approved by the City shall be posted if required by the City to guarantee construction performance. **Surety shall not be required to the extent and for such period during this Agreement as Licensee is exempted from such requirements pursuant to § 67.1830(6)(a) RSMo. and has on file with the City Clerk an affidavit certifying that Licensee has twenty-five million dollars in net assets and the facts otherwise establishing that Licensee is therefore so exempted and provided that this exemption shall not apply if Licensee uses or obtains the right to use any City poles or other facilities.** Licensee shall also be responsible for maintenance of its Facilities and any and all damage caused to the ROW, equipment within the ROW, or otherwise by Licensee's use of the ROW.

7.4 Enforcement; Attorneys' Fees. The City shall be entitled to enforce this Agreement through all remedies lawfully available, and Licensee shall be liable to pay the City its costs of enforcement, including reasonable attorneys' fees, enforceable by a judicial action, if so necessary.

7.5 Relationship of the Parties. Under no circumstances shall this Agreement be construed as one of agency, partnership, joint venture, or employment between the Parties.

7.6 Relocation or Removal of Facilities.

7.6.1 In addition to the requirements of Section 515.055 of the ROW Code, the City may in its exercise of the public interest require that Licensee, at Licensee's sole cost and expense, relocate, adjust, or reinstall any of its Licensee's Facilities. The City shall give reasonable notice of such requirement to Licensee, including the location of Facilities to be relocated and a reasonable time to relocate such Facilities. Licensee shall forthwith remove, adjust, or relocate such Facilities within the reasonable time provided by the City in its written notice. The cost of such relocation, removal, or reinstallation of the Facilities shall be the exclusive obligation of said Licensee without expense to the City. If any Facilities are not relocated in accordance with this Section and within the reasonable time frames required by the City, the City or its contractors may relocate the Facilities and the Licensee and its Surety shall be jointly and severally liable to the City for any and all costs incurred by the City, including but not limited to any liquidated delay damages. Any time period during which Licensee is unable to relocate its Facilities due to the actions or inactions of a third party, which is unaffiliated to Licensee and not under contract with or control of Licensee, including, without limitation, the City, will not be counted against the reasonable time frame allowed to Licensee to relocate its Facilities.

7.6.2 Licensee shall upon request of any person other than the City requesting relocation of Facilities and holding a validly issued building or moving permit and within a

reasonable period as may be established by the City, temporarily raise, lower, adjust, or relocate its Facilities as may be reasonably necessary for such permit-holder to exercise its rights under the permit. Except where good cause is approved by the City, a permit-holder must make its request at least fourteen (14) days prior to the date it intends to exercise its rights under the permit. If applicable, Licensee will, within seven (7) days of its receipt of such a request, deliver to the permit-holder an invoice for the services. However, Licensee will not be required to honor any such request unless and until the permit-holder makes payment in advance for any expenses incurred by the Licensee pursuant to said person's request. If any Facilities are not relocated in accordance with this Section and within the reasonable time frames required by the City, the City or its contractors may relocate the Facilities and the Licensee and its Surety shall be jointly and severally liable to the City for any and all costs incurred by the City, including but not limited to any liquidated delay damages. Any time period during which Licensee is unable to relocate its facilities due to the actions or inactions of a third party, which is unaffiliated to Licensee and not under contract with or control of Licensee, including, without limitation, the City, will not be counted against the reasonable time frame allowed to Licensee to relocate its Facilities.

7.7 No Cause of Action Against the City. The Licensee shall have no remedy or recourse whatsoever against the City for any loss, cost, expense, or damage arising from any of the provisions or requirements of this Agreement, or because of the enforcement thereof by the City, or for the failure of the City to have the authority to grant all, or any part, of the rights herein granted; provided that Licensee expressly acknowledges that it accepted the rights herein granted under this Agreement in reliance upon its independent and personal investigation and understanding of the power or authority of the City to enter into the Agreement herein with Licensee; provided further that the Licensee acknowledges by its acceptance of said Agreement that it has not been induced to enter into this Agreement upon any understanding, or promise, whether given verbally or in writing by or on behalf of any Party, or by any other person concerning any term or condition of this Agreement not expressed herein; provided further that the Licensee acknowledges by the acceptance of this Agreement that it has carefully read the provisions, terms, and conditions hereof and all incorporated provisions and is willing to, and does accept, all of the risk attendant to said provisions, terms, and conditions of this Agreement. Nothing herein shall be deemed to waive the City's sovereign immunity.

SECTION 8. INDEMNIFICATION

8.1 Indemnification. Licensee at its sole cost and expense, hereby agrees to indemnify, protect, release, defend (with counsel acceptable to the City), and hold harmless the City, its municipal officials, elected officials, councils, boards, commissions, officers, employees, attorneys, and agents, from and against any and all causes of action, claims, demands, all contractual damages and losses, economic damages and losses, all other damages and losses, liabilities, fines, charges, penalties, administrative and judicial proceedings and orders, judgments, remedial actions of any kind, and all costs and expenses of any kind, including, without limitation, reasonable attorney's fees and costs of defense arising, directly or indirectly, in whole or in part, from the action or inaction of Licensee, its agents, representatives, employees, contractors, subcontractors, or any other person for whose acts Licensee may be liable, in constructing, operating, using, maintaining, repairing, restoring, or removing Facilities, or in carrying on Licensee's business or operations in the City, or out of the fact that the City

entered into this Agreement with Licensee, the rights granted to Licensee, or the activities performed, or failed to be performed, by Licensee under this Agreement, or otherwise, except to the extent arising from or caused by the sole or gross negligence or willful misconduct of the City, its elected officials, officers, employees, agents, or contractors, or as otherwise may be limited by law. This indemnity shall apply, without limitation, to any claim or cause of action for invasion of privacy, defamation, antitrust, negligence, theft, fire, violation or infringement of any copyright, trademark, trade name, service mark or patent or intellectual property right of any person, whether or not any act or omission complained of is authorized, allowed, or prohibited by this Agreement. The indemnification, duty to defend, and hold harmless obligations set forth in this Section shall survive for a period of five (5) years after the date of expiration or termination of this Agreement. Any payments required by Licensee to City pursuant to this indemnification Section or otherwise required under this Agreement shall accrue interest from the date due at one and one-half percent (1.5%) interest per month until fully paid.

SECTION 9. NOTICE

9.1 Any notice, demand, consent, approval, request, or other communication required or permitted to be given to either Party under or with respect to this Agreement (collectively, "Notice") must be in writing and must be delivered in person, by a reputable overnight delivery service, or by certified mail, postage prepaid, return receipt requested, to the appropriate address(es) set forth below:
