Contractor's affirmative proof must be established through (i) a Missouri driver's license, (ii) any "documentary evidence recognized by the department of revenue when processing an application for a driver's license," or (iii) "any document issued by the federal government that confirms an alien's lawful presence in the United States." §208.009.3.

Subcontracts. The Contractor shall not subcontract any of the Work to be performed by it hereunder without the express written consent of the City. In addition, this Contract shall not be assigned by the Contractor.

Indemnification. To the fullest extent permitted by law, the Contractor agrees to defend with counsel selected by the City, and indemnify and hold harmless the City, its officers, engineers, representatives, agents and employees from and against any and all liabilities, damages, losses, claims or suits, including costs and attorneys' fees, for or on account of any kind of injury to person, bodily or otherwise, or death, or damage to or destruction of property, or any other circumstances, sustained by the City or others, arising from Contractor's breach of the Contract or out of services and operations performed hereunder by the Contractor, including the City's reliance on or use of the services or products provided by the Contractor under the terms of this agreement. The Contractor shall not be liable for any loss or damage attributable solely to the negligence of the City. To the extent required by law to enforce this provision, Contractor agrees that this indemnification requires Contractor to obtain insurance in amounts specified herein and that Contractor has had the opportunity to recover the costs of such insurance in the Compensation set forth in this Agreement.

Insurance. Contractor shall furnish the City the certificates of insurance for workers' compensation, public liability, and property damage, including automobile coverage in the amounts specified by the City in the request for proposals, if any, otherwise in the amounts stated on **Exhibit B**, but unless otherwise provided shall be no less than the maximum amounts of liability set forth in Chapter 537.610 RSMo., applicable to political subdivisions. The City, and such additional persons and entities as may be deemed to have an exposure to liability as a result of the performance of the Contractor's work, as determined by the City, shall be named as additional insured and the applicable insurer shall owe the City a duty of defense on all insurance policies required hereunder. The Contractor shall provide an Additional Insured Endorsement to the City that shall be approved by the City prior to commencement of any Work.

NOTHING HEREIN SHALL BE CONSTRUED AS A WAIVER OF THE CITY'S SOVEREIGN IMMUNITY UNDER SECTION 537.610.1 R.S.MO. OR OTHERWISE. The purpose of the insurance required under this paragraph is to confirm that the Consultant has adequate insurance to cover the Consultant for tort claims that may arise out of the Services. It is not for the purchase of insurance for the City EXCEPT FOR AND ONLY TO THE LIMITED EXTENT OF any claims against the City arising out of the Consultant's Services and based upon one of the two statutory exceptions to sovereign immunity as expressly set forth in Section 537.600.1(1) and (2). To that limited extent, the City shall be named as an additional insured the policy bearing an endorsement that: "The Insurer shall not be liable to make any payment for Loss in connection with any Claim made against the City of Twin Oaks as an additional Insured that is barred by sovereign immunity, and nothing contained in this Policy shall constitute a waiver of the City's sovereign immunity."

Nondisclosure. The Contractor agrees that it will not divulge to third parties without the written consent of the City any information obtained from or through the City in connection with the performance of this Contract. Nothing herein shall preclude disclosure of information by the City.

Changes. No change in this Contract shall be made except in writing prior to the change in the Work or terms being performed. The Contractor shall make any and all changes in the Work without invalidating this Contract when specifically ordered to do so in writing by the City. The Contractor, prior to the commencement of such changed or revised Work, shall submit promptly to the City, a written cost or credit proposal for such revised Work. If the City and Contractor shall not be able to agree as to the amount, either in consideration of time or money to be allowed or deducted, it shall nevertheless be the duty of Contractor, upon written notice from the City, to immediately proceed with such alteration or change, and Contractor shall be compensated the reasonable value of such Work. **No Work or change shall be undertaken or compensated for without prior written authorization from the City.**

The Contractor shall submit to the City its statement for the aforesaid amount, in such reasonable detail as the City shall request, within thirty (30) days after such date of termination. The City shall not be liable to the Contractor for any damages on account of such termination for loss of anticipated future profits with respect to the remainder of the Work.

Multi-year contracts; Non-appropriation. Notwithstanding any provision herein to the contrary, the City is obligated only to make the payments set forth in the attached Contract as may lawfully be made from funds budgeted and appropriated for that purpose during the City's then current fiscal year at the discretion of the City. If no funds are appropriated or otherwise made legally available to make the required payments for this Agreement during the next occurring fiscal year (an "Event of Nonappropriation"), this Agreement will terminate at the end of the then current fiscal year as if terminated expressly. The failure or inability of the City to appropriate funds for this Agreement in any subsequent fiscal year shall not be deemed a breach of this Agreement by any party. If applicable, this Agreement may be annually renewed at each fiscal year by inclusion of specific appropriation for this Agreement, from year to year not to exceed the maximum renewal period or term as set forth in the Agreement.

Accounting. During the period of this Contract, the Contractor shall maintain books of accounts of its expenses and charges in connection with this Contract in accordance with generally accepted accounting principles and practices. Contractor hereby expressly guarantees the aforesaid Work as to workmanship and quality of materials used in connection herewith for a term of one (1) year, commencing on the date of final acceptance by the City, and binds itself, its successors or assigns, to make all repairs or replacements which may become necessary within said period due to construction defects and nonconformity with the City specifications or contract. The Contractor warrants to the City that all materials and equipment furnished under the Contract and incorporated in the Work will be new unless otherwise specified, and that all Work will be of good quality, free from faults and defects and in conformance with the Contract. The Contractor's general warranty and any additional or special warranties are not limited by the Contractor's obligations to specifically correct defective or nonconforming Work as set forth herein, nor are they limited by any other remedies provided in the Contract.

Request for Proposals. If the City issued a request for proposals in connection with the Work, such request for proposals and the proposal of the Contractor in response thereto are incorporated herein by reference and made a part of this Contract. In case of any conflicts between the request for proposals and the executed Contractor Services Contract or proposal of the Contractor, the requirements of the City's Request for Proposal and this executed Contract shall control and supersede unless a change thereto is specifically stated in this Contract (including Exhibit A, "Scope of Work").

Project Records and Work Product. The Contractor shall provide the City with copies of all documents pertinent to the Work which shall include, without limitation, reports, correspondence, meeting minutes, and originals of all deliverables. Governing/Choice of Law. This Agreement shall be governed by and construed and interpreted in accordance with the internal laws of the State of Missouri, without regard to its principles of conflict of laws.

Attorney Fees' and Costs. Contractor shall reimburse to the City any costs and attorneys' fees that the City may reasonably incur in pursuit of any remedies at law or equity or enforcement of any rights established in this Contract, which may result from the Contractor's breach of the Contract, the Contractor's failure to perform any obligation or requirement contained herein, or the City's enforcement of this Contract.
